Safety Instruction Guide for FTX Custom Bullet Seating Stems 45 Caliber 250gr FTX Seating Stem

Introduction

Thank you for choosing the FTX Custom Bullet Seating Stems designed specifically for Hornady® Custom Grade™ Dies. This guide provides essential safety information and instructions for the safe use of this product. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to seat FTX bullets in Hornady® Custom Grade™ Dies.
- Always follow the manufacturer's instructions when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for wear and damage before use. Do not use if the product is damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Ensure that your workspace is clean, dry, and well-lit to avoid accidents.
- Avoid using excessive force when seating bullets to prevent damage to the bullets or the seating stem.
- Do not modify or alter the seating stem in any way, as this may compromise safety.
- Be aware of the potential hazards associated with handling ammunition components and follow all relevant safety protocols.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Hornady® Custom Grade™ Die is clean and free from debris.
- Remove the existing seating stem from the die if applicable.
- Carefully insert the FTX Custom Bullet Seating Stem into the die, ensuring it is securely fastened.
- Adjust the seating depth according to your specifications, following the die's instructions.

2. Usage:

- Place the bullet into the die's seating cavity.
- Operate the press to seat the bullet, applying steady and controlled pressure.
- Inspect the seated bullet to ensure it is properly seated and not damaged.
- Repeat the process for additional bullets, maintaining consistent pressure and technique.

Disposal Instructions

- Dispose of any damaged or worn-out components in accordance with local regulations.
- Do not dispose of bullets or ammunition components in regular waste. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries, please contact the manufacturer's customer support or consult the product's official

website for more information.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and following these guidelines will help ensure a safe and effective experience with your FTX Custom Bullet Seating Stems.
