# Safety Instruction Guide for FTX Custom Bullet Seating Stems 50 Caliber 300gr FTX Seating Stem

## Introduction

Thank you for choosing the FTX Custom Bullet Seating Stems. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the seating stems.

## General Safety Guidelines

- Ensure that the product is used solely for its intended purpose, which is to seat FTX bullets precisely.
- Always handle the product with care to avoid injury or damage.
- Store the product in a cool, dry place, away from children and pets.
- Regularly inspect the product for wear or damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Use only with Hornady® Custom Grade™ Dies. This product is not compatible with dies from other manufacturers.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using reloading equipment.
- Keep fingers and hands clear of the seating area while operating the seating stem.
- Ensure that the workspace is welllit and free from clutter to prevent accidents.
- Do not exceed the manufacturer's recommended load specifications when reloading ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged.
- Remove the existing seating stem from the Hornady® Custom Grade™ Die.
- Carefully insert the FTX Custom Bullet Seating Stem into the die, ensuring it is securely in place.
- Tighten the seating stem according to the manufacturer's specifications.

### 2. Usage:

- Prepare the brass cases and FTX bullets as per standard reloading procedures.
- Insert the prepared brass case into the reloading press.
- Place the FTX bullet on top of the brass case.
- Activate the reloading press to seat the bullet into the brass case. Ensure that the seating stem is aligned correctly to avoid damaging the bullet.
- Inspect the seated bullet for proper alignment and depth before proceeding with further reloading steps.

## Disposal Instructions

- Dispose of any unused or damaged seating stems in accordance with local waste disposal regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste. Follow local guidelines for hazardous waste disposal if applicable.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the FTX Custom Bullet Seating Stems, please reach out to the designated EU contact point for assistance.

Remember to report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention to these important guidelines.
