Safety Instructions for PRIMER TURNING PLATE

Introduction

Thank you for choosing the PRIMER TURNING PLATE by HORNADY. This safety instruction guide is designed to help you use this product safely and effectively. Please read the following sections carefully to ensure proper usage and to minimize any risks associated with its use.

General Safety Guidelines

- Ensure that the PRIMER TURNING PLATE is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the PRIMER TURNING PLATE only with compatible primer types as specified by the manufacturer.
- Do not attempt to modify or alter the product in any way.
- Ensure that the work area is clean and free from obstructions before using the product.
- Always handle primers with care, following all safety guidelines related to their use.
- Avoid using the product in wet or damp conditions to prevent slips or electrical hazards.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.

Instructions for Installation and Usage

1. Installation:

- Place the PRIMER TURNING PLATE on a stable surface.
- Ensure that the automatic primer feed and pickup tube are securely connected.
- Adjust the orientation of the plate to ensure primers are positioned either up or down as needed.

2. Usage:

- Before starting, doublecheck that all components are securely attached and functioning correctly.
- Load the primer pickup tube according to the manufacturer's instructions.
- Activate the automatic primer feed and monitor the process to ensure proper operation.
- If any issues arise during use, stop immediately and inspect the product for malfunctions.

Disposal Instructions

- Dispose of the PRIMER TURNING PLATE responsibly in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling it if possible.
- Do not dispose of primers or any hazardous materials in regular trash. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or support regarding the PRIMER TURNING PLATE, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the PRIMER TURNING PLATE. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
