# Safety Instruction Guide for PISTOL CARBIDE 3 DIE SET

## Introduction

Thank you for choosing the PISTOL CARBIDE 3 DIE SET by LEE PRECISION. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines.
- Ensure that you are of legal age to use reloading equipment.
- Keep the die set out of reach of children and unauthorized users.
- Use the die set only for its intended purpose.
- Regularly inspect the die set for wear or damage before use.
- If you notice any defects or issues, do not use the product and contact customer support.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The dies produce metal shavings and debris; wear safety glasses to protect your eyes.
  - Keep hands clear of moving parts during operation.
  - Use appropriate hearing protection if working in a noisy environment.
- **Avoiding Hazards:**
  - Always use the die set in a wellventilated area to avoid inhalation of any dust or fumes.
  - Ensure that the work area is clean and free of clutter to prevent accidents.
  - Do not exceed the recommended load specifications for your caliber.

## Instructions for Installation and Usage

- **Installation:**
  1. Secure the die set in a reloading press according to the manufacturer's instructions.
  2. Ensure that the Carbide Full Length Sizing Die is adjusted to the correct height.
  3. Install the Bullet Seating Die and Powder Thru Expanding Die as per the instructions included in the set.
- **Usage:**
  1. Follow load data and instructions provided with the die set for safe reloading practices.
  2. Use the Powder Dipper carefully to measure powder accurately.
  3. Always check each cartridge for proper seating and crimping before proceeding to the next.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die set is damaged beyond repair, dispose of it in a manner that complies with local waste disposal regulations.
- Recycle components where possible.

## Contact Information for Further Support

For any questions or concerns regarding the PISTOL CARBIDE 3 DIE SET, please refer to the manufacturer's website or customer service for assistance.

Please ensure that you adhere to these safety guidelines to promote a safe reloading experience. Thank you for your attention to safety!
