# Safety Instruction Guide for MUZZLELOADER ROUND BALL DOUBLE CAVITY MOLDS

## Introduction

Thank you for purchasing the MUZZLELOADER ROUND BALL DOUBLE CAVITY MOLDS by LEE PRECISION. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and follow these instructions carefully to minimize risks and enhance your experience.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Store the product in a cool, dry place when not in use.
- Follow local laws and regulations regarding the use of muzzleloading equipment.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including goggles and gloves, when handling molds.
- Ensure that the work area is wellventilated to avoid inhalation of fumes.
- Avoid contact with hot surfaces and molten lead to prevent burns.
- Use tools designed for handling hot materials to prevent accidents.
- Do not overload the mold with material beyond its capacity.
- Never leave the mold unattended while in use.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure that your work area is clean and free of flammable materials.
- Place the mold on a stable, heatresistant surface.

### 2. Heating the Mold:

- Preheat the mold using a suitable heat source until it reaches the desired temperature.
- Verify that the mold is securely closed before adding any material.

### 3. Pouring the Material:

- Carefully pour the molten lead into the mold cavity, ensuring not to overfill.
- Allow the lead to cool and solidify before removing the mold.

### 4. Removing the Cast:

- Once the lead has cooled, gently open the mold to remove the cast ball.
- Inspect the cast for any defects or irregularities.

### 5. Cleaning the Mold:

- Clean the mold after each use to prevent buildup of residue.
- Use a soft brush or cloth to remove any debris, and avoid using abrasive materials.

## **Disposal Instructions**

- Dispose of any waste materials according to local regulations.
- Do not dispose of molten lead or hazardous materials in regular trash.
- Seek guidance from local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the MUZZLELOADER ROUND BALL DOUBLE CAVITY MOLDS, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MUZZLELOADER ROUND BALL DOUBLE CAVITY MOLDS. Thank you for choosing LEE PRECISION.
