

ARES ETR UHD 4.5-30X56MM FFP ILLUMINATED RIFLE SCOPE - ARES ETR UHD 4.5-30X56MM FFP ILLUMINATED APRS1 MIL BROWN

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Just when you thought Athlon couldn't improve the Ares BTR, well they did! The Ares ETR First Focal Plane Scope is loaded with features that will allow you to take your long range shooting to another level. Featuring a completely revamped turret system, the Ares ETR has a locking Windage turret along with a true zero stop on the elevation turret to make sure your turrets and shots are right on every time. Extra dispersion ED lenses allow for the sharpest and best color image possible. Constructed with an 34mm tube, this riflescope can withstand even the harshest of elements.

ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE Safety Instruction Guide

Introduction

Thank you for choosing the ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE. This guide provides essential safety instructions to ensure safe and effective use of your riflescope. Please read this guide carefully to understand the safety precautions and proper usage of your product.

General Safety Guidelines

- Always handle the riflescope with care to prevent damage.
- Do not use the scope for any purpose other than its intended use.
- Ensure the scope is mounted securely to the rifle before use.
- Keep the riflescope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and optics.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the riflescope to prevent injury from recoil or debris.
- **Mounting:** Ensure that the riflescope is mounted correctly according to the manufacturer's instructions to avoid misalignment.
- **Weather Conditions:** Avoid using the scope in extreme weather conditions that may impair visibility or damage the equipment.
- **Illumination Control:** Use the illumination feature responsibly to avoid distracting yourself or others during use.
- **Cleaning:** Use only recommended cleaning materials and methods to maintain the integrity of the lenses and the scope body.

Instructions for Installation and Usage

1. Mounting the Scope:

- Select a suitable mounting base for your rifle.
- Align the scope with the mounting rings and tighten securely, ensuring it is level.
- Check the alignment and adjust if necessary.

2. Adjusting the Turrets:

- Familiarize yourself with the windage and elevation turrets.
- Make adjustments slowly and in small increments to achieve desired accuracy.

3. Using the Reticle:

- Adjust the brightness of the illuminated reticle according to your preference and lighting conditions.
- Ensure the reticle is clear and visible before taking aim.

4. Zeroing the Scope:

- Follow the manufacturer's instructions to zero the scope accurately.
- Test your adjustments at a safe and controlled shooting range.

5. Maintenance:

- Regularly clean the lenses with a soft, lintfree cloth.
- Store the scope in a dry and secure location when not in use.

Disposal Instructions

- Dispose of the riflescope and its components in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Consider recycling options for materials where applicable.

Contact Information for Further Support

For any inquiries or support related to the ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE, please refer to the manufacturer's contact resources provided with the product packaging.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience responsibly!
