Dread Those Uncomfortable Shooting Positions No Longer

The OG by Armageddon Gear takes us back to the roots of Reasor Precision's simple solver that changed the game of positional shooting. Origins of Reasor's grasping front support bag for firearm stability began with a specific shape, heavy-poly fill blend and pliable shell to yield the most effective and versatile solution developed for those uncomfortable positions that marksmen used to dread. Also available in a Waxed Canvas version. 1000D Cordura fabric or Waxed Canvas Includes two handles on opposite ends for ambidextrous use Total weight of over 6 pounds and filled with Reasor Precision Solutions approved recycled plastic fill Dimensions: approximately 10" Long, 7" Tall and 6" Wide Zipper access to adjust fill to user desired ratio A note on shooting bags: Most positional shooting bags are not filled firmly on purpose. The reason being a loose filled bag will fill in gaps, drape across obstacles, and create a more stable shooting platform than a firm filled bag.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Do not use the product for any purpose other than its intended use.
- In case of any incidents or accidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Always check that the bag is filled to your desired ratio before use. A properly filled bag provides better stability.
- Avoid using the bag on unstable surfaces or in environments that may compromise safety.
- When using the bag, maintain a safe distance from others to prevent any potential injuries.
- Be cautious of sharp objects or rough surfaces that may damage the bag.
- If you notice any unusual behavior or damage to the bag, discontinue use immediately and contact support.

Instructions for Installation and Usage

1. Preparation:

- Remove the bag from its packaging and inspect it for any visible damage.
- If necessary, adjust the fill of the bag using the zipper access to meet your desired ratio.

2. Usage:

- Place the bag securely in the desired shooting position.
- Ensure that the bag is stable and does not shift during use.
- Utilize the handles for easy adjustment and positioning, ensuring ambidextrous use.

3. PostUse Care:

- After use, store the bag in a dry place to prevent moisture damage.
- Clean the bag as per the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- When the product has reached the end of its life cycle, dispose of it in accordance with local waste management regulations.
- If the bag is damaged beyond repair, consider recycling the materials where possible.
