

# AR-15 COMBAT CARBINE STOCK - MAXIM DEFENSE INDUSTRIES

## AR-15 COMBAT CARBINE STOCK BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Due to the popularity of our Maxim Defense CQB Stocks, we've put the same design features, materials selection, and durability into the new CCS Combat Carbine Stock. It boasts a full length cheek weld even when the stock is at full extension. Plus, you continue using your existing buffer & spring and bolt carrier. Featuring solid attachment, quick deployment, 2 built-in sling mounts, and 3-positions of adjustment, the Maxim Defense CCS is perfect for your short barrel or full length carbine. DOES NOT COME WITH A BUFFER AND SPRING

# Safety Instruction Guide for AR15 Combat Carbine Stock

## Introduction

Thank you for choosing the Maxim Defense Industries AR15 Combat Carbine Stock. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your product. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure the product is installed correctly before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the stock for signs of wear or damage before each use.
- Do not modify or alter the stock in any way that could compromise safety.
- Familiarize yourself with the operation of the stock and your firearm before use.
- Follow all local laws and regulations regarding firearm accessories.
- In case of malfunction, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attaching or detaching the stock.
- Always use the stock in conjunction with the appropriate buffer and spring as specified in the instructions.
- Avoid using the stock in extreme weather conditions that may affect its performance.
- Be cautious when deploying the stock; ensure it is locked in place before use.
- Do not exceed the manufacturer's recommendations for weight and usage.
- If you encounter any resistance while adjusting the stock, stop and reassess before proceeding.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure the firearm is completely unloaded and pointed in a safe direction.
2. **Remove the Existing Stock:** Follow your firearm's manual to safely remove the existing stock.
3. **Attach the CCS Combat Carbine Stock:**
  - Align the stock with the buffer tube.
  - Slide the stock onto the buffer tube until it is fully seated.
  - Ensure the stock is securely attached and locked in place.
4. **Check Functionality:** Verify that the stock can be adjusted smoothly and remains secure in all positions.

### Usage

- **Adjusting the Stock:**
  - To adjust the length, press the adjustment button and slide the stock to the desired position.
  - Release the button to lock the stock in place.
- **Using the Sling Mounts:** Attach your sling to one of the builtin sling mounts for secure carrying.
- **Cheek Weld:** Utilize the fulllength cheek weld for improved aiming and stability.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Remove any nonmetal components before recycling.
- Ensure that all materials are disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided by the retailer or manufacturer where you purchased the product.

Please remember that safety is paramount when handling firearms and accessories. By following these guidelines, you can ensure a safe and enjoyable experience with your Maxim Defense Industries AR15 Combat Carbine Stock.
