## Backpack Mountable Shooting Rest for Quick Field Positions

PACK-MOUNTABLE SHOOTING REST Eberlestock's ultralight backpack mountable shooting rest can be attached to any 3-wide MOLLE or PALS panel (Eberlestock's Padlock system), using its built-in attachment clips. This rest can be quickly detached and remounted to various surfaces of your backpack, giving you the ability to set up a field rest with an optimal elevation for the particular place that you're shooting from. Material: NT7 Hunting Fabric Style: Bag Rest This simple rest is a great lightweight alternative to shooting sticks, bipods, and hardware-based shooting rests. Available in NT7 hunting fabrics or 1000 denier Cordura, to match your Eberlestock pack.

# Safety Instruction Guide for Eberlestock PackMountable Shooting Rest

## Introduction

Thank you for choosing the Eberlestock PackMountable Shooting Rest. This product is designed to enhance your shooting experience while ensuring safety and convenience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety standards for nonfood items, ensuring safe use during your shooting activities.
- **Enhanced Recalls:** In the event of any safety concerns, standardized recall notices will be issued, and free remedies will be provided for dangerous products.
- **Online Shopping:** When purchasing online, you are entitled to the same safety protections as when buying in physical stores.
- **Special Consumer Focus:** Extra precautions are taken to ensure the safety of vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about unsafe products through updates provided by the Safety Gate system.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Keep out of reach of children.
- **Proper Use:** Always use the shooting rest as intended. Do not modify or alter the product.
- **Surface Stability:** Ensure that the surface to which the shooting rest is attached is stable and secure before use.
- **Weather Conditions:** Avoid using the shooting rest in extreme weather conditions that may compromise safety.
- **Inspection:** Regularly inspect the shooting rest for any signs of wear or damage before each use.
- **Avoid Overloading:** Do not exceed the weight capacity of the shooting rest as specified by the manufacturer.

## Instructions for Installation and Usage

### Installation

1. **Identify the Attachment Points:** Locate a 3wide MOLLE or PALS panel on your backpack.
2. **Attach the Shooting Rest:**
  - Use the builtin attachment clips to secure the shooting rest to the chosen panel.
  - Ensure that the clips are fully engaged and the rest is firmly attached.
3. **Check Stability:** After installation, tug gently on the shooting rest to confirm that it is securely attached.

### Usage

1. **Setting Up:** When ready to shoot, detach the shooting rest from your backpack if necessary and position it on a stable surface.
2. **Adjust Elevation:** Adjust the height of the shooting rest to achieve an optimal shooting position.
3. **Secure Your Firearm:** Ensure that your firearm is securely placed on the rest before taking aim.
4. **Follow Safety Protocols:** Always adhere to firearm safety protocols while using the shooting rest.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations for waste disposal.
- **Recycling:** If applicable, recycle materials where possible to minimize environmental impact.

## Contact Information for Further Support

For any inquiries or support regarding the Eberlestock PackMountable Shooting Rest, please refer to the designated EU contact point.

Thank you for choosing Eberlestock. Your safety and satisfaction are our top priorities. Enjoy your shooting experience!
