Backpack Mountable Shooting Rest for Quick Field Positions

PACK-MOUNTABLE SHOOTING REST Eberlestock's ultralight backpack mountable shooting rest can be attached to any 3-wide MOLLE or PALS panel (Eberlestock's Padlock system), using its built-in attachment clips. This rest can be quickly detached and remounted to various surfaces of your backpack, giving you the ability to set up a field rest with an optimal elevation for the particular place that you're shooting from. Material: NT7 Hunting Fabric Style: Bag Rest This simple rest is a great lightweight alternative to shooting sticks, bipods, and hardware-based shooting rests. Available in NT7 hunting fabrics or 1000 denier Cordura, to match your Eberlestock pack.

PACKMOUNTABLE SHOOTING REST Safety Instructions

Introduction

Thank you for purchasing the Eberlestock PackMountable Shooting Rest. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shooting rest. Please read this document carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your shooting rest and the specific firearm you intend to use.
- Always follow local laws and regulations regarding the use of firearms and shooting equipment.
- Use the shooting rest only for its intended purpose: to provide stability while aiming and shooting.
- Keep the shooting rest out of reach of children and unauthorized users.
- Regularly inspect the shooting rest for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents involving the shooting rest to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the shooting area is clear of people and obstacles before setting up your shooting rest.
- When using the shooting rest, maintain a safe distance from others and ensure that everyone is aware of your shooting activities.
- Do not exceed the weight limits specified for the shooting rest to avoid structural failure.
- Avoid placing the shooting rest on unstable or uneven surfaces that could lead to accidents.
- Always secure your firearm in a safe position when not in use, even when mounted on the shooting rest.
- Be mindful of environmental conditions (e.g., wind, rain) that could affect stability and safety.

Instructions for Installation and Usage

1. Installation:

- Identify a suitable location on your backpack with a 3wide MOLLE or PALS panel.
- Attach the shooting rest using the builtin attachment clips, ensuring it is securely fastened.
- Confirm that the shooting rest is stable and properly aligned before use.

2. Usage:

- When ready to shoot, position the shooting rest at a comfortable height for aiming.
- Place your firearm securely on the rest, ensuring it is stable and pointed in a safe direction.
- Adjust your stance and grip for maximum stability while aiming.
- After shooting, remove the firearm from the rest and secure it safely.

Disposal Instructions

- Dispose of the shooting rest in accordance with local regulations regarding waste disposal.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Ensure that any hazardous materials are disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Eberlestock PackMountable Shooting Rest, please refer to the official Eberlestock website or contact your local Eberlestock dealer for assistance.

Thank you for choosing the Eberlestock PackMountable Shooting Rest. Your safety is our priority, and we hope you enjoy your shooting experience responsibly.
