Backpack Mountable Shooting Rest for Quick Field Positions

PACK-MOUNTABLE SHOOTING REST Eberlestock's ultralight backpack mountable shooting rest can be attached to any 3-wide MOLLE or PALS panel (Eberlestock's Padlock system), using its built-in attachment clips. This rest can be quickly detached and remounted to various surfaces of your backpack, giving you the ability to set up a field rest with an optimal elevation for the particular place that you're shooting from. Material: NT7 Hunting Fabric Style: Bag Rest This simple rest is a great lightweight alternative to shooting sticks, bipods, and hardware-based shooting rests. Available in NT7 hunting fabrics or 1000 denier Cordura, to match your Eberlestock pack.

PACKMOUNTABLE SHOOTING REST Safety Instruction Guide

Introduction

Thank you for choosing the Eberlestock PackMountable Shooting Rest. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the shooting rest.

General Safety Guidelines

- Ensure that the shooting rest is used only for its intended purpose.
- Always inspect the shooting rest for any signs of damage or wear before each use.
- Keep the shooting rest out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the shooting rest, especially in outdoor environments.
- Follow all local laws and regulations regarding the use of shooting equipment.

Specific Safety Precautions for Use

- **Stability:** Ensure that the shooting rest is securely mounted to a stable surface before use. A secure attachment prevents accidental detachment during operation.
- **Weight Limit:** Do not exceed the recommended weight limit for the shooting rest. Overloading can cause instability and increase the risk of accidents.
- **Weather Conditions:** Avoid using the shooting rest in adverse weather conditions, such as high winds or heavy rain, which may affect stability and safety.
- **Shooting Range:** Always use the shooting rest in a designated shooting range or safe area. Ensure that the area is clear of people and obstacles.
- **Proper Positioning:** When using the shooting rest, maintain a safe distance from the shooting line and ensure that the firearm is pointed in a safe direction.

Instructions for Installation and Usage

1. Installation:

- Locate a suitable MOLLE or PALS panel on your backpack.
- Use the builtin attachment clips to securely attach the shooting rest to the panel.
- Ensure that the shooting rest is firmly attached and does not move when pulled or pushed.

2. Usage:

- Adjust the shooting rest to the desired height for optimal shooting elevation.
- Place your firearm securely on the shooting rest, ensuring it is stable.
- Always keep your finger off the trigger until you are ready to shoot.
- After use, detach the shooting rest from the backpack by reversing the installation steps.

Disposal Instructions

- Dispose of the shooting rest in accordance with local regulations.
- Do not dispose of the shooting rest in regular household waste if it contains hazardous materials.
- Consider recycling options for the materials used in the shooting rest, such as fabric and plastic components.

Contact Information for Further Support

For inquiries regarding safety or product issues, please contact the manufacturer directly through their official communication channels. Always refer to the product packaging for specific contact details.

Thank you for your attention to these safety guidelines. Proper use and care will ensure that you enjoy the benefits of the Eberlestock PackMountable Shooting Rest safely and effectively.
