

RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF - WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, AMERICAN FLAG

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

A Compact, Foldable Set of Hearing Protection Muffs

Users of over-ear hearing-protection muffs have always been plagued by the issues associated with extra bulk over their ears. For shooters, this is especially a problem, since in many cases, it prevents rifle shooters or shotgunners from getting a perfect cheek weld on their gun. The Walkers Razor Slim Electronic Muffs are designed to minimize those issues, thanks to a compact, slim design that can be folded down for easy storage. Each pair of Walkers XCEL Razor Slim Electronic Muffs features Sound Activated Compression, as well as Full Dynamic Range HD Speakers and two Hi-Gain Omnidirectional Microphones that all work in conjunction to provide premium sound reduction and enhancement in a compact package. The earmuffs are powered by two AAA batteries, and the redesigned headband provides enhanced comfort. The unit provides 23 decibels of sound reduction.

Safety Instruction Guide for RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, AMERICAN FLAG

Introduction

Thank you for choosing the RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFFS. These electronic earmuffs are designed to provide effective hearing protection while enhancing your auditory experience in shooting environments. This guide contains important safety information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the electronic earmuffs by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive notification of a recall, please follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with the same safety requirements as physical stores.
- **Special Consumer Focus:** Keep these earmuffs out of reach of children. They are not intended for use by children under the age of 16.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided in the product packaging or on the website.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on unsafe products and recall information.

Specific Safety Precautions for Use

- **Hearing Protection:** Always wear the earmuffs when exposed to loud noises to prevent hearing damage.
- **Proper Fit:** Ensure that the earmuffs fit snugly over your ears for maximum sound reduction.
- **Battery Safety:** Use only the specified type of batteries (2 AAA batteries). Do not mix old and new batteries or different brands.
- **Avoid Moisture:** Keep the earmuffs dry. Do not expose them to rain or high humidity.
- **Regular Inspection:** Check the earmuffs for any signs of wear or damage before each use. Do not use if damaged.
- **Limit Use Time:** Take breaks during extended use to prevent discomfort or fatigue.

Instructions for Installation and Usage

1. Installation of Batteries:

- Open the battery compartment located on the earmuffs.
- Insert two AAA batteries, ensuring the correct polarity (+/-) is observed.
- Close the battery compartment securely.

2. Wearing the Earmuffs:

- Adjust the headband for a comfortable fit.
- Place the earmuffs over your ears, ensuring a snug fit to maximize sound reduction.

3. Using the Electronic Features:

- Turn on the earmuffs using the power switch.
- Adjust the volume to your preference using the volume control.
- The Sound Activated Compression feature will activate automatically to reduce harmful noise levels.

4. Folding for Storage:

- To fold the earmuffs, gently pull the ear cups inward towards the headband until they lock into place.
- Store in a cool, dry place when not in use.

Disposal Instructions

- **Battery Disposal:** Dispose of used batteries in accordance with local regulations. Do not dispose of batteries in household waste.
- **Earmuff Disposal:** When the earmuffs reach the end of their life, dispose of them in accordance with local waste disposal regulations. Consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

By following these guidelines, you can ensure safe and effective use of your RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFFS. Thank you for prioritizing your hearing protection.
