

# HRT PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS HRT STEEL RINGS 30MM S-LOW

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Superior Scope-To-Ring Contact With A Slim-Line Look

HRT Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-type or Picatinny bases.

## Attributes

- Name: [TPS PRODUCTS HRT STEEL RINGS 30MM S-LOW](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100036958
- Mfr. No.: 32470
- Finish: Matte Blue
- Height: .820"
- Material: Steel
- Scope Tube Diameter: 30mm
- Size: Super Low
- Style: Tactical Rings
- Delivery weight: 0.218kg
- Shipping height: 51mm
- Shipping width: 58mm
- Shipping length: 89mm

# HRT Picatinny/Weaver Scope Rings Safety Instructions

## Introduction

Thank you for choosing the HRT Picatinny/Weaver Scope Rings by TPS Products. These precisionengineered steel rings are designed for optimal performance and safety. This guide provides essential safety instructions and usage information to ensure your product is used correctly and safely.

## General Safety Guidelines

- Always handle the scope rings with care to prevent injury or damage.
- Ensure that the scope rings are compatible with your scope and firearm before installation.
- Regularly inspect the scope rings for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure the firearm is unloaded before installing the scope rings.
- Use appropriate tools and avoid excessive force during installation to prevent damage.

### • Usage Safety:

- Do not exceed the recommended torque specifications when tightening the rings to avoid damaging the scope or the rings.
- Regularly check the alignment of the scope to ensure it is secure and properly mounted.

### • Storage Safety:

- Store the scope rings in a dry place to prevent rust and corrosion.
- Avoid exposing the scope rings to extreme temperatures or humidity.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather necessary tools, including a torque wrench and appropriate screwdrivers.

### 2. Installation:

- Align the scope rings with the Picatinny or Weaver base on your firearm.
- Place the scope in the rings and adjust for desired eye relief.
- Tighten the left side of the cap first, then the right side to ensure the scope remains aligned.
- Use a torque wrench to tighten the screws to the recommended specifications.

### 3. Usage:

- After installation, check the alignment of the scope and make any necessary adjustments.
- During use, monitor the scope rings for any movement or loosening, especially after firing.

- If any issues arise, immediately stop using the firearm and inspect the scope rings.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the metal components if available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please consult the product packaging or your retailer for appropriate contact information.

By following these safety instructions, you can ensure the safe and effective use of your HRT Picatinny/Weaver Scope Rings. Thank you for your attention to safety.
