

OPPRESSOR - STRIKE INDUSTRIES OPPRESSOR

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Strike Industries Oppressor represents the next evolution in concussion reduction devices. Typical concussion reduction devices simply sleeve the brake, with a simple open end to redirect gasses. The OPRESSOR is compatible with the SI muzzle devices to include: Venom-FH, Checkmate Comp, King Comp, MK-9 Comp, J-Comp Gen2, Sierra Comp, and Triple Crown Comp. While this does accomplish reducing side concussion, braking performance becomes reduced as well. Designed with computer aided flow dynamics, the SI Oppressor provides a no compromise solution for redirecting the overpressure produced by aggressive brakes and compensators. Advanced internal geometry actively draws the gasses out and thrusts the gasses forward through vents to accomplish linear braking in order to retain more braking efficiency. Using a proprietary quick detach mounting system, the Oppressor can be rapidly installed before transitioning to prone shooting positions, or for indoor use.

Attributes

- Name: [STRIKE INDUSTRIES OPPRESSOR](#)
- Manufacturer: [STRIKE INDUSTRIES](#)
- Product no.: 100037162
- Mfr. No.: SI-OPPRESSOR
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Steel
- Weapon type: AR-15
- Delivery weight: 0.298kg
- Shipping height: 57mm
- Shipping width: 57mm
- Shipping length: 108mm
- UPC: 708747545753

Safety Instruction Guide for the OPPRESSOR STRIKE INDUSTRIES OPPRESSOR

Introduction

Thank you for choosing the OPPRESSOR STRIKE INDUSTRIES OPPRESSOR. This product is designed to enhance your shooting experience by reducing concussion from muzzle devices. It is important to follow safety guidelines to ensure safe usage and optimal performance. This guide provides essential safety information and instructions for the proper use and maintenance of the Oppressor.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the Oppressor is compatible with your muzzle device before installation.
- Read and understand all instructions and warnings before using the product.
- Store the Oppressor in a safe, dry place away from children and unauthorized users.
- Regularly inspect the Oppressor for any signs of damage or wear.
- Use only with specified SI muzzle devices: VenomFH, Checkmate Comp, King Comp, MK9 Comp, JComp Gen2, Sierra Comp, and Triple Crown Comp.
- Follow all local, state, and national laws regarding firearm accessories.
- Report any unsafe conditions or product defects to the manufacturer immediately.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times during installation and use.
- Use eye and ear protection while shooting with the Oppressor.
- Avoid using the Oppressor in enclosed spaces without proper ventilation.
- Do not exceed the recommended caliber specifications: 22 Caliber (.223.224).
- Be aware of your surroundings and ensure that there is a safe backstop when shooting.
- Do not modify the Oppressor or attempt to disassemble it.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. **Ensure Compatibility:** Verify that your muzzle device is one of the compatible models: VenomFH, Checkmate Comp, King Comp, MK9 Comp, JComp Gen2, Sierra Comp, or Triple Crown Comp.
2. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Attach the Oppressor:**
 - Align the Oppressor with the muzzle device.
 - Utilize the proprietary quick detach mounting system to securely attach the Oppressor.
 - Ensure that it is firmly in place and check for any movement.
4. **Final Inspection:** Doublecheck the installation to ensure there are no loose components.

Usage Instructions

- When ready to shoot, assume a safe shooting position.
- Ensure that the firearm is in a safe condition and ready for firing.
- Fire the weapon while maintaining control and awareness of the environment.
- After shooting, check the Oppressor for any signs of damage or wear.

Disposal Instructions

- Dispose of the Oppressor in accordance with local regulations regarding metal and firearm accessory disposal.
- Do not throw the product in the regular trash.
- Consider recycling the material if possible, or contact a local recycling center for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the OPPRESSOR STRIKE INDUSTRIES OPPRESSOR, please reach out to the designated EU contact point provided with your product packaging. For updates on product recalls and safety information, regularly check the EU Safety Gate platform.

By following these guidelines, you can ensure a safe and enjoyable experience with the OPPRESSOR STRIKE INDUSTRIES OPPRESSOR. Always prioritize safety and responsible usage in all shooting activities.
