

TECHNICAL GLOVES 2.0 - MAGPUL TECHNICAL GLOVE 2.0 BLACK SMALL 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

The most lightweight and tactile glove in the Magpul lineup, the Magpul Technical Glove 2.0 offers abrasion protection with maximum dexterity. Fitted with durable synthetic construction, suede-backed thumbs, and a compression-molded neoprene cuff to provide a second-skin fit. To help you keep your grip when things are slick, Magpul has included a tough, suede palm. The narrow forefinger maintains your range of motion for better control of your firearm's trigger and selector. The thumb, index, and middle fingers on both hands are also touchscreen compatible. Magpul's Technical Glove 2.0 is versatile enough to perform in almost any environment while keeping your hands from taking a beating. Protects active hands with minimum impact on fine motor skills. Narrow forefinger for easy access and better control of your firearm's trigger and selector. Ambidextrous three-finger touchscreen capability. Compression-molded neoprene cuff for secure fit. Corded nylon construction for back-of-hand stretch and enhanced durability. Reinforced suede pull tab. Suede-backed thumb area to quickly remove fogging on hunting optics and glasses.

Technical Gloves 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the Magpul Technical Gloves 2.0. These gloves are designed to provide excellent dexterity and protection while handling firearms and other equipment. This guide outlines important safety information to ensure the safe use of the gloves, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the gloves fit properly to maintain dexterity and control.
- Inspect the gloves regularly for any signs of wear or damage.
- Do not use the gloves for activities they are not designed for, such as heavy industrial work.
- Keep the gloves away from extreme heat sources and chemicals that may degrade the material.
- Store the gloves in a cool, dry place when not in use.
- Always follow local laws and regulations regarding firearms and safety equipment.

Specific Safety Precautions for Use

- Avoid using the gloves in wet conditions as this may affect grip and dexterity.
- Be cautious when using the gloves with sharp objects to prevent cuts or punctures.
- Ensure that the gloves do not obstruct your ability to operate equipment or firearms safely.
- If you experience any discomfort or irritation while wearing the gloves, discontinue use immediately.
- Keep the gloves out of reach of children to prevent accidental use or choking hazards.

Instructions for Installation and Usage

- **Fitting the Gloves:**

- Choose the correct size (Small, in this case) to ensure a snug fit.
- Slide your hands into the gloves, ensuring that the fingers are fully extended.
- Adjust the neoprene cuff for a secure fit around your wrist.

- **Using the Gloves:**

- When handling firearms, ensure that your fingers maintain a firm grip on the trigger and selector.
- Use the touchscreen-compatible fingers for operating electronic devices without removing the gloves.
- If the gloves become dirty, clean them with a damp cloth and mild soap. Allow them to air dry completely before reuse.

- **Maintenance:**

- Regularly inspect the gloves for signs of wear, such as fraying or holes.
- Replace the gloves if they show significant signs of damage or wear.

Disposal Instructions

- Dispose of the gloves in accordance with local waste disposal regulations.
- If the gloves are damaged beyond repair, consider recycling options if available.
- Do not burn the gloves as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Magpul Technical Gloves 2.0, please refer to the manufacturer's contact information provided with your purchase. Always ensure that you have access to the latest safety updates and recall information through official channels.

Conclusion

By following these safety instructions, you can ensure the safe use of your Magpul Technical Gloves 2.0. Always prioritize safety and stay informed about best practices for handling equipment and firearms. Thank you for your attention to these important guidelines.
