

TECHNICAL GLOVES 2.0 - MAGPUL TECHNICAL GLOVE 2.0 COYOTE SMALL 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

The most lightweight and tactile glove in the Magpul lineup, the Magpul Technical Glove 2.0 offers abrasion protection with maximum dexterity. Fitted with durable synthetic construction, suede-backed thumbs, and a compression-molded neoprene cuff to provide a second-skin fit. To help you keep your grip when things are slick, Magpul has included a tough, suede palm. The narrow forefinger maintains your range of motion for better control of your firearm's trigger and selector. The thumb, index, and middle fingers on both hands are also touchscreen compatible. Magpul's Technical Glove 2.0 is versatile enough to perform in almost any environment while keeping your hands from taking a beating. Protects active hands with minimum impact on fine motor skills. Narrow forefinger for easy access and better control of your firearm's trigger and selector. Ambidextrous three-finger touchscreen capability. Compression-molded neoprene cuff for secure fit. Corded nylon construction for back-of-hand stretch and enhanced durability. Reinforced suede pull tab. Suede-backed thumb area to quickly remove fogging on hunting optics and glasses.

Safety Instruction Guide for TECHNICAL GLOVES

2.0 MAGPUL TECHNICAL GLOVE 2.0 COYOTE SMALL 1PAIR

Introduction

Thank you for choosing the TECHNICAL GLOVES 2.0 MAGPUL TECHNICAL GLOVE 2.0 COYOTE SMALL 1PAIR. These gloves are designed to provide maximum dexterity and abrasion protection in various environments. To ensure your safety and the longevity of the product, please read and follow the safety guidelines and instructions outlined in this document.

General Safety Guidelines

- Ensure that the gloves fit properly to maintain dexterity and control.
- Regularly inspect the gloves for any signs of wear or damage before use.
- Keep the gloves clean and dry to prevent deterioration of materials.
- Use the gloves only for their intended purpose; avoid using them for tasks that exceed their design specifications.
- Be aware of your surroundings and any potential hazards while wearing the gloves.

Specific Safety Precautions for Use

- Avoid contact with sharp objects that may puncture the gloves.
- Do not use the gloves in environments where they may be exposed to extreme heat or flames.
- Ensure that the gloves are not used in wet conditions unless specifically designed for such use.
- Be cautious when using touchscreen devices; ensure proper functionality to avoid accidental inputs.
- If the gloves become damaged or compromised, discontinue use immediately.

Instructions for Installation and Usage

1. Fitting the Gloves:

- Slide your hands into the gloves, ensuring that the fingers fit snugly without being too tight.
- Adjust the compressionmolded neoprene cuff for a secure fit around your wrist.

2. Using the Gloves:

- When handling firearms or other tools, maintain a firm grip using the suede palm for enhanced control.
- For touchscreen use, ensure that your thumb, index, and middle fingers make contact with the device screen.
- If you need to remove fogging from optics or glasses, use the suedebacked thumb area for quick cleaning.

3. Maintenance:

- Clean the gloves with a damp cloth and mild soap; avoid harsh chemicals that may damage the material.
- Allow the gloves to air dry completely before storing them in a cool, dry place.
- Do not machine wash or tumble dry the gloves as this may compromise their integrity.

Disposal Instructions

- When the gloves are no longer usable, dispose of them in accordance with local waste management regulations.
- If the gloves are made of materials that can be recycled, please ensure they are placed in the appropriate recycling bin.
- Avoid burning the gloves as this may release harmful substances into the environment.

Contact Information for Further Support

For safety inquiries or further support regarding the TECHNICAL GLOVES 2.0 MAGPUL TECHNICAL GLOVE 2.0 COYOTE SMALL 1PAIR, please refer to the contact details provided by the manufacturer. Remember to check for any recall updates on the EU's Safety Gate platform to ensure ongoing safety compliance.

Thank you for prioritizing safety while using your TECHNICAL GLOVES 2.0. Your attention to these guidelines helps ensure a safe and effective experience.
