

TECHNICAL GLOVES 2.0 - MAGPUL TECHNICAL GLOVE 2.0 COYOTE MEDIUM 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

The most lightweight and tactile glove in the Magpul lineup, the Magpul Technical Glove 2.0 offers abrasion protection with maximum dexterity. Fitted with durable synthetic construction, suede-backed thumbs, and a compression-molded neoprene cuff to provide a second-skin fit. To help you keep your grip when things are slick, Magpul has included a tough, suede palm. The narrow forefinger maintains your range of motion for better control of your firearm's trigger and selector. The thumb, index, and middle fingers on both hands are also touchscreen compatible. Magpul's Technical Glove 2.0 is versatile enough to perform in almost any environment while keeping your hands from taking a beating. Protects active hands with minimum impact on fine motor skills Narrow forefinger for easy access and better control of your firearm's trigger and selector Ambidextrous three-finger touchscreen capability Compression-molded neoprene cuff for secure fit Corded nylon construction for back-of-hand stretch and enhanced durability Reinforced suede pull tab Suede-backed thumb area to quickly remove fogging on hunting optics and glasses

Safety Instruction Guide for TECHNICAL GLOVES

2.0 MAGPUL TECHNICAL GLOVE 2.0 COYOTE

MEDIUM

Introduction

Thank you for choosing the TECHNICAL GLOVES 2.0 MAGPUL TECHNICAL GLOVE 2.0 COYOTE MEDIUM. This guide provides essential safety information to ensure the safe and effective use of your gloves. Please read this document carefully to understand the precautions and instructions for your safety.

General Safety Guidelines

- Ensure that the gloves are suitable for your intended use.
- Do not use the gloves for activities that exceed their intended protective capabilities.
- Regularly inspect the gloves for signs of wear and damage before each use.
- Keep the gloves away from extreme heat, flames, and sharp objects to prevent damage.
- Store the gloves in a cool, dry place when not in use.
- Follow all relevant safety regulations and guidelines applicable to your activities.

Specific Safety Precautions for Use

- The gloves are designed to provide abrasion protection; however, they are not cutresistant.
- Use caution when handling sharp tools or materials while wearing the gloves.
- The gloves offer limited thermal protection; avoid contact with hot surfaces.
- Ensure that the gloves fit properly to maintain dexterity and control.
- Be aware that the gloves are touchscreen compatible; however, they may not work with all devices.
- If you experience any discomfort or allergic reactions while using the gloves, discontinue use immediately.

Instructions for Installation and Usage

- **Wearing the Gloves:**

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, ensuring that each finger is properly fitted.
- Adjust the neoprene cuff for a secure fit around your wrist.

- **Using the Gloves:**

- Use the gloves for activities that require dexterity and grip, such as handling tools or firearms.
- When using touchscreen devices, ensure your fingers maintain contact with the screen for optimal performance.
- If the gloves become wet or soiled, clean them according to the manufacturer's recommendations.

- **Maintenance:**

- After use, inspect the gloves for any signs of damage or wear.
- Clean the gloves with a damp cloth and mild soap if necessary.
- Allow the gloves to air dry completely before storing them.

Disposal Instructions

- Dispose of the gloves in accordance with local regulations.
- If the gloves are damaged beyond repair, they should be disposed of in general waste.
- Do not incinerate the gloves as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TECHNICAL GLOVES 2.0 MAGPUL TECHNICAL GLOVE 2.0 COYOTE MEDIUM, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for following these safety guidelines to ensure a safe and enjoyable experience with your TECHNICAL GLOVES 2.0. Your safety is our priority!
