

# TECHNICAL GLOVES 2.0 - MAGPUL TECHNICAL GLOVE 2.0 COYOTE 2XL 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

The most lightweight and tactile glove in the Magpul lineup, the Magpul Technical Glove 2.0 offers abrasion protection with maximum dexterity. Fitted with durable synthetic construction, suede-backed thumbs, and a compression-molded neoprene cuff to provide a second-skin fit. To help you keep your grip when things are slick, Magpul has included a tough, suede palm. The narrow forefinger maintains your range of motion for better control of your firearm's trigger and selector. The thumb, index, and middle fingers on both hands are also touchscreen compatible. Magpul's Technical Glove 2.0 is versatile enough to perform in almost any environment while keeping your hands from taking a beating. Protects active hands with minimum impact on fine motor skills. Narrow forefinger for easy access and better control of your firearm's trigger and selector. Ambidextrous three-finger touchscreen capability. Compression-molded neoprene cuff for secure fit. Corded nylon construction for back-of-hand stretch and enhanced durability. Reinforced suede pull tab. Suede-backed thumb area to quickly remove fogging on hunting optics and glasses.

# Technical Gloves 2.0 Safety Instruction Guide

## Introduction

Thank you for choosing the Magpul Technical Gloves 2.0. These gloves are designed to provide comfort, protection, and dexterity for a variety of activities. This safety instruction guide is intended to help you use the gloves safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the gloves are the correct size for your hands to avoid discomfort or reduced dexterity.
- Inspect the gloves before each use for any signs of damage or wear. Do not use if damaged.
- Keep the gloves away from heat sources and sharp objects to prevent burns and cuts.
- Use the gloves in environments that match their intended purpose to ensure safety and performance.
- Store the gloves in a cool, dry place away from direct sunlight when not in use.

## Specific Safety Precautions for Use

- Avoid using the gloves in wet conditions if they are not specifically designed for water resistance.
- Do not use the gloves when handling hazardous materials unless they are specifically rated for such use.
- Be cautious when using the gloves with electronic devices; ensure your hands are clean and dry for optimal touchscreen functionality.
- If you experience any irritation or allergic reaction while using the gloves, discontinue use immediately and consult a medical professional.
- Keep the gloves out of reach of children and pets to prevent accidental use or ingestion.

## Instructions for Installation and Usage

- **Wearing the Gloves:**
  1. Hold the gloves by the cuff and gently pull them onto your hands.
  2. Ensure that the gloves fit snugly but comfortably. Adjust as necessary for optimal dexterity.
- **Using the Touchscreen Feature:**
  1. Ensure that the thumb, index, and middle fingers are properly aligned with the touchscreen.
  2. Tap or swipe gently on the screen for best results.
- **Cleaning the Gloves:**
  1. Hand wash with mild soap and water if necessary.
  2. Avoid using bleach or harsh chemicals.
  3. Air dry away from direct sunlight and heat sources.
- **Storing the Gloves:**
  1. After cleaning, ensure the gloves are completely dry.
  2. Store them in a cool, dry place, ideally in their original packaging to maintain shape.

## Disposal Instructions

- Dispose of the gloves in accordance with local waste disposal regulations.
- If the gloves are no longer usable, consider recycling if appropriate materials are used.
- Do not dispose of the gloves in regular household waste if they contain hazardous materials.

## Contact Information for Further Support

For safety inquiries or to report any issues with the product, please refer to the contact details provided on the packaging or visit the manufacturer's website. Make sure to have the product details available for reference.

By following these safety instructions, you can ensure that your experience with the Magpul Technical Gloves

2.0 is safe and enjoyable. Thank you for your attention to these guidelines.
