# FLIP TOP RIFLE AMMO BOXES Safety Instruction Guide

## Introduction

Thank you for choosing the FLIP TOP RIFLE AMMO BOXES by MTM CASEGARD. This product is designed for the safe storage and transport of rifle ammunition, ensuring that your shooting experience is both enjoyable and secure. This safety instruction guide provides essential information regarding the safe use, handling, and disposal of your ammo box in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the ammo box is used solely for its intended purpose: storing rifle ammunition.
- Keep the ammo box out of reach of children and any unauthorized individuals to prevent accidents.
- Inspect the ammo box regularly for any signs of damage or wear. If damaged, discontinue use immediately.
- Avoid exposing the ammo box to extreme temperatures or direct sunlight for prolonged periods, as this may compromise its integrity.
- Store the ammo box in a cool, dry place to prevent moisture accumulation, which can affect the ammunition stored inside.

## Specific Safety Precautions for Use

- Ensure that the box is securely closed before transporting it to avoid accidental spilling of contents.
- Do not overload the ammo box beyond its specified capacity of 200 rounds.
- Handle the box with care to avoid dropping it, which may cause damage to both the box and its contents.
- Use the mechanical hinge and SnapLock latch as intended to ensure proper operation and longevity.
- When recording load and sight data on the provided load label, use a permanent marker to ensure visibility and durability.

## Instructions for Installation and Usage

- Before using the ammo box, ensure that it is clean and free from any debris.
- To load ammunition:
  1. Open the ammo box by pressing the SnapLock latch.
  2. Carefully place the ammunition inside the box, ensuring it is organized and does not exceed the 200round capacity.
  3. Close the lid securely, ensuring the SnapLock latch is engaged.
- For transporting the ammo box:
  - Ensure it is properly closed and locked.
  - Carry the box using both hands to maintain stability.
- To record load and sight data:
  1. Locate the load label inside the lid of the ammo box.
  2. Write down the necessary information using a permanent marker.

## Disposal Instructions

- When disposing of the ammo box, follow local regulations regarding plastic waste.
- If the ammo box is damaged beyond repair, consider recycling it if possible.
- Do not incinerate the ammo box, as it may release harmful substances into the environment.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your FLIP TOP RIFLE AMMO BOXES, please refer to the official MTM CASEGARD website or contact your local distributor. It is important to stay informed about any recalls or safety notices related to your product.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe use and longevity of your FLIP TOP RIFLE AMMO BOXES. Your safety and the safety of others is our priority, and we appreciate your commitment to responsible ammunition storage and handling.
