

TS-8X 1-8X24MM ILLUMINATED RIFLE SCOPE - 1-8X24MM FFP ILLUMINATED RBR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

A Solid General-Purpose Optic for Any General-Purpose Rifle

In recent years, advances in optic construction have made expanded magnification ranges possible, and these optics are more durable and affordable than ever before. The US Optics TS-8X is a dedicated design for any do-it-all rifle, giving shooters the capability to make quick, accurate shots inside the range of most intermediate cartridges. The US Optics TS-8X is built on a solid 30mm main body tube, which ensures added ruggedness, as well as greater adjustment range for both elevation and windage. The optic features an illuminated reticle, powered by a single CR2032 battery. Length: 10.5 inches Tube size: 30mm Weight: 17.9 ounces Adjustment value: 1/4 MOA Each reticle choice in the US Optics TS-8X features a brightly illuminated center dot that offers quick target acquisition at short ranges, as well as a clearly seen aiming point for low-light use.

Attributes

- Name: [1-8X24MM FFP ILLUMINATED RBR RETICLE BLACK](#)
- Manufacturer: [US OPTICS](#)
- Product no.: 100042235
- Mfr. No.: TS-8X RBR
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.75"
- Finish: Black
- Focal Plane: First
- Illumination: Yes
- Length: 10.75"
- Max Magnification: 8x
- Min. Magnification: 1.8x
- Model Number: TS-8X
- Objective Size: 24mm
- Tube Size: 30mm
- Weight: 17.9 oz
- Delivery weight: 0.993kg
- Shipping height: 102mm
- Shipping width: 140mm
- Shipping length: 330mm
- UPC: 811069021550

Item details

This product contains a battery.
US export classification: 0A504.a

Safety Instruction Guide for TS8X 18X24MM Illuminated Rifle Scope

Introduction

Thank you for choosing the TS8X 18X24MM Illuminated Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose.
- Always handle firearms with care and follow all applicable safety regulations.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear before use.
- Store the rifle scope in a cool, dry place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- Ensure that the scope is securely mounted to the rifle before use.
- Avoid using the scope in extreme weather conditions that could affect its performance.
- Do not attempt to disassemble or modify the scope; doing so may void the warranty and compromise safety.
- Use only the recommended CR2032 battery for illumination; do not use other battery types.
- Be aware of your surroundings and ensure a clear line of sight when aiming and firing.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded before installation.
- Mount the scope onto the rifle's rail system using the provided mounting rings.
- Tighten the mounting screws securely but avoid overtightening, which could damage the scope.
- Once mounted, check the alignment of the reticle with the rifle's barrel.

2. Usage:

- Adjust the magnification by rotating the magnification ring located on the scope.
- To turn on the illuminated reticle, press the button located on the side of the scope.
- Adjust the brightness of the reticle illumination to suit your environment.
- Use the windage and elevation turrets to zero the scope according to your shooting requirements.
- Always ensure that the rifle is pointed in a safe direction when handling or adjusting the scope.

Disposal Instructions

- Dispose of the scope and its components in accordance with local regulations.
- Remove the battery before disposal and recycle it according to local battery recycling guidelines.
- Do not dispose of the scope in household waste.

Contact Information for Further Support

For any questions or concerns regarding the TS8X 18X24MM Illuminated Rifle Scope, please refer to the manufacturer's contact information provided in the product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the TS8X rifle scope while prioritizing safety and responsibility.
