[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

A Dedicated Distance-Capable Optic for Long-Range Hunters

As rifles and ammunition become more capable of accurately and consistently dropping game at extended distances, long-range hunters have a need for an optic that provides the clarity and magnification they need to get on target. Too, long-range competition shooters are in need of an optimized riflescope that ensures their ability to ring steel at the outer limits of their rifle's range. The US Optics TS-20X is the perfect option for the range or field rig. The US Optic TS-20X's construction on a large 34mm tube ensures that it'll be tough enough to withstand rugged use in the field, as well as leave room for the increased adjustment needed to land rounds at long range. Available in a 2.5-20X magnification range, this optic provides the power necessary to dial-in that extreme shot while allowing shooters to back off for a better view downrange. Length: 14.64 inches Tube size: 34mm Weight: 28.7 ounces Adjustment value: 1/4 MOA; 1/10 MIL Available with four different reticle options, the US Optic TS-20X features an illuminated reticle that provides a clearly marked center dot for easy aiming in any lighting conditions. No matter what model you choose, all TS-20X reticles are located in the first focal plane, so you know your in-reticle subtensions are accurate at any magnification power.

Attributes

- Name: [2.5-20X50MM FFP ILLUMINATED MGR RETICLE BLACK](#)
- Manufacturer: [US OPTICS](#)
- Product no.: 100042241
- Mfr. No.: TS-20X MGR
- Battery: CR-2032
- Click Value: 0.1 MRAD
- Click Value: 0.1 MRAD
- Eye Relief: 3.0",2.0"
- Finish: Black
- Focal Plane: First
- Illumination: Yes
- Length: 14.64"
- Max Magnification: 20x
- Min. Magnification: 2.5x
- Model Number: TS-20X
- Objective Size: 50mm
- Tube Size: 34mm
- Weight: 28.7 oz
- Delivery weight: 1.683kg
- Shipping height: 140mm
- Shipping width: 127mm
- Shipping length: 508mm
- UPC: 811069021703

TS20X 2.520X50MM FFP Illuminated Rifle Scope

Safety Instruction Guide

Introduction

Thank you for choosing the TS20X 2.520X50MM FFP Illuminated Rifle Scope. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your rifle scope. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the rifle scope is suitable for your specific firearm and intended use.
- Always handle firearms and accessories with care, following all safety procedures.
- Keep the rifle scope out of reach of children and unauthorized users.
- Inspect the scope regularly for any signs of damage or wear. Do not use if damaged.
- Store the rifle scope in a cool, dry place when not in use.
- Follow local laws and regulations regarding the use of firearms and optical devices.

Specific Safety Precautions for Use

- Always treat the rifle as if it is loaded, even if you believe it is not.
- Do not point the firearm at anything you do not intend to shoot.
- Use proper eye protection when using the rifle scope.
- Do not attempt to modify or disassemble the scope. This may void the warranty and pose safety risks.
- Ensure that the scope is securely mounted to the firearm before use.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Use the provided mounting rings to securely attach the scope to the rifle's rail.
- Tighten the mounting screws evenly to avoid misalignment.
- Check that the scope is level and properly aligned with the barrel.

2. Usage:

- Adjust the magnification according to your shooting distance and conditions.
- Use the illuminated reticle feature in lowlight conditions for better visibility.
- Familiarize yourself with the adjustment values (1/4 MOA; 1/10 MIL) for precise aiming.
- Always verify your zeroing before engaging in shooting activities.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations for electronic waste.
- Remove batteries and dispose of them properly, following local guidelines for battery disposal.
- Do not dispose of the scope in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the TS20X 2.520X50MM FFP Illuminated Rifle Scope, please refer to the

manufacturer's website or customer service for assistance.

By following the instructions and guidelines provided in this safety instruction guide, you can ensure a safe and enjoyable experience with your TS20X rifle scope. Thank you for your attention to these important safety measures.
