

# ECG STI HIGH CAPACITY 2011 TRIGGER - EVERGLADES AMMO ECG 2011 FLAT FACE TRIGGER, MEDIUM, SILVER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Everglades Custom Guns STI 2011 trigger. This trigger has an overtravel screw, pre-travel tab and the shoe is swaged to the bow. The aluminum shoe is flat faced and comes in three lengths, short, medium, and long. The long flat design that can be contoured to any shape that you prefer. The aluminum shoe is both taller and wider than the plastic versions to allow precise fitting to your individual grip. The bow is stainless and is designed for a better fit in the STI grip. The fitting tabs in the rear are also oversize to allow all of the up and down movement to be eliminated at the rear of the trigger. Trigger shoe will have mill finish when shipped. Grip not included with trigger. Gunsmith Fitting Required Note: Does not work with Staccato grips.

# Safety Instruction Guide for ECG STI High Capacity 2011 Trigger

## Introduction

Thank you for choosing the ECG STI High Capacity 2011 Trigger. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the trigger properly.

## General Safety Guidelines

- Always treat the trigger as if it is loaded, even when not in use.
- Ensure that the trigger is installed correctly before use.
- Store the trigger in a secure location, away from children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the trigger with Staccato grips, as it may not function properly.
- Ensure that all installation and fitting procedures are performed by a qualified gunsmith.
- Be cautious of the overtravel screw and pretravel tab during adjustments to avoid accidental discharge.
- Avoid using the trigger in wet or damp conditions to prevent corrosion.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the ECG STI High Capacity 2011 Trigger by following these steps:
  - Align the trigger bow with the firearm's grip.
  - Secure the trigger using the appropriate screws and fittings.
  - Adjust the overtravel screw and pretravel tab as needed for your preference.
- Confirm that the trigger is securely attached and functions correctly before use.

### 2. Usage:

- Familiarize yourself with the trigger's operation before using it in a live shooting scenario.
- Practice safe handling techniques at all times.
- Always ensure that your firearm is pointed in a safe direction when using the trigger.
- Regularly check the functionality of the trigger during practice sessions.

## Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding firearms and firearm accessories.
- Do not throw the trigger in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ECG STI High Capacity 2011 Trigger, please consult your retailer or a qualified gunsmith for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ECG STI High Capacity 2011 Trigger. Thank you for prioritizing safety in your shooting activities.
