

ECG STI HIGH CAPACITY 2011 TRIGGER - EVERGLADES AMMO ECG 2011 FLAT FACE TRIGGER, LONG, SILVER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Everglades Custom Guns STI 2011 trigger. This trigger has an overtravel screw, pre-travel tab and the shoe is swaged to the bow. The aluminum shoe is flat faced and comes in three lengths, short, medium, and long. The long flat design that can be contoured to any shape that you prefer. The aluminum shoe is both taller and wider than the plastic versions to allow precise fitting to your individual grip. The bow is stainless and is designed for a better fit in the STI grip. The fitting tabs in the rear are also oversize to allow all of the up and down movement to be eliminated at the rear of the trigger. Trigger shoe will have mill finish when shipped. Grip not included with trigger. Gunsmith Fitting Required Note: Does not work with Staccato grips.

Safety Instruction Guide for ECG STI High Capacity 2011 Trigger

Introduction

Thank you for choosing the ECG STI High Capacity 2011 Trigger. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to prevent accidents and injuries.

General Safety Guidelines

- Ensure that the trigger is compatible with your firearm model before installation.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the trigger and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect your trigger for signs of wear or damage. Do not use if damaged.
- If you are unsure about the installation or use of the trigger, consult a qualified gunsmith.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the trigger in any way, as this may compromise safety.
- Ensure that the firearm is unloaded before installing the trigger.
- Wear appropriate eye and ear protection when handling firearms.
- Only use the trigger with compatible STI grips; it is not designed to work with Staccato grips.
- Be aware that the trigger shoe will have a mill finish when shipped, which may affect grip and handling.

Instructions for Installation and Usage

1. Preparation

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools for installation.

2. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the firearm's manual.
- Install the new ECG STI High Capacity 2011 Trigger by following these steps:
 - Align the trigger with the bow.
 - Secure the trigger in place using the provided screws.
 - Adjust the overtravel screw and pretravel tab to your preference.
- Check the trigger's movement to ensure it operates smoothly without any obstruction.

3. Testing

- After installation, perform a function check to ensure proper operation.
- If you experience any issues, consult a qualified gunsmith for assistance.

4. Usage

- Practice safe handling and operation of your firearm at all times.
- Familiarize yourself with the trigger's features and adjustments.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger becomes unusable, consult a qualified gunsmith for proper disposal methods.
- Do not throw away the trigger in regular household waste; contact local authorities for safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ECG STI High Capacity 2011 Trigger, please reach out to your local distributor or a qualified gunsmith.

Important Note: This guide complies with the EU General Product Safety Regulation (GPSR) to ensure product safety and consumer protection. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Report any unsafe products or accidents to the appropriate authorities.
