

RED DOT OPTIC MOUNT - DANIEL DEFENSE RED DOT OPTIC MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Daniel Defense has expanded their line of optics mounts to offer secure mounting for the most standard size scopes. Daniel Defense's single ring 30mm will accommodate a wide variety of red dot optics with 30mm tubes, most commonly the Aimpoint PRO and Comp M Series. The single ring 30mm mount weighs in at only 3.15 ounces and is manufactured with the same quality and durability you've come to expect from all Daniel Defense products. Precision machined from 6061-T6 Aluminum and finished with Type III Hard Coat Anodizing for maximum durability. Feature our patented Rock & Lock mounting technology for easy installation and removal with Torx Plus fasteners at the base and rings. Weighs 3.15oz. Made in the USA.

RED DOT OPTIC MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Daniel Defense Red Dot Optic Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of your optic mount. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.
- If you experience any issues with the product, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Always ensure that the optic mount is securely attached to the firearm before use.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Use appropriate eye and ear protection when using firearms.
- Do not exceed the manufacturer's weight limits for the optic mount.
- Avoid using the product in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools, including Torx Plus fasteners.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Mounting the Optic:

- Align the optic mount with the mounting base on your firearm.
- Secure the mount using the Torx Plus fasteners provided.
- Ensure that all fasteners are tightened to the manufacturer's specifications.

3. Attaching the Optic:

- Place your red dot optic into the mount.
- Adjust the optic as needed to ensure proper alignment.
- Tighten the rings securely to hold the optic in place.

Usage

- After installation, conduct a thorough check to ensure that the optic is securely mounted.
- Familiarize yourself with the operation of the red dot optic before use.
- Always follow the safety guidelines for firearm usage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Daniel Defense Red Dot Optic Mount, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your Daniel Defense Red Dot Optic Mount. Always prioritize safety and consult professionals if you have any doubts or questions regarding the product. Thank you for your attention and commitment to safety.
