Safety Instruction Guide for VERTEX NANO WIRELESS ELECTRONIC EARBUDS

Introduction

Thank you for choosing the VERTEX NANO WIRELESS ELECTRONIC EARBUDS. This guide provides important safety information and instructions to ensure your safe and effective use of the product. Please read this guide carefully before using the earbuds.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the earbuds by following all instructions and warnings provided.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. You can check for updates through the EU Safety Gate platform.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using the product with vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay informed about any rapid alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- Do not use the earbuds in environments with high noise levels that exceed the NRR of 25 dB.
- Ensure the earbuds fit securely in your ears to provide optimal hearing protection.
- Regularly check the condition of the earbuds and replace them if damaged.
- Avoid using the earbuds while engaging in activities that require full attention, such as driving or operating machinery.
- Keep the earbuds out of reach of children and pets to prevent accidental ingestion or injury.
- Do not expose the earbuds to extreme temperatures or moisture.

Instructions for Installation and Usage

1. Charging the Earbuds:

- Ensure the earbuds are fully charged before first use.
- Use only the recommended charger to avoid damage.

2. Wearing the Earbuds:

- Choose the appropriate ear tips for a comfortable fit.
- Insert the earbuds gently into your ears, ensuring a snug fit to maximize sound quality and protection.

3. Adjusting Sound Settings:

- Use the provided controls to adjust the sound settings between standard and enhanced amplification modes.
- Familiarize yourself with the HiLow Sound Compression settings (85dB and 105dB) for optimal use.

4. Using the Optional Corded Tether:

- If using the optional corded tether, attach it securely to the earbuds and your clothing to prevent loss.

5. Storing the Earbuds:

- When not in use, store the earbuds in the provided carrying case to protect them from damage.

Disposal Instructions

- Dispose of the earbuds and batteries in accordance with local regulations for electronic waste.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery recycling.

Contact Information for Further Support

For any questions or additional support regarding the VERTEX NANO WIRELESS ELECTRONIC EARBUDS, please refer to the manufacturer's contact details provided with your purchase.
