

# FUSION LIGHTWING ADAPTER LEFT HAND FDE

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

Designed specifically for the FUSION Micro Hub, the FUSION LightWing Adapter allows the user to mount both a backup iron sight and light in conjunction with the ATPIAL or ATPIAL-C Multi-Function Aiming Laser. The FUSION LightWing adapter is designed to extend the light out under the side of the ATPIAL while still mounting on the top rail. It is lightweight, low profile and compatible with a wide range of FUSION accessories. Mounting the unit behind the ATPIAL still allows access to the battery compartment without removing either unit. Note: This part comes in both Left and Right side versions, however either side can be used ambidextrously depending on where the Micro Hub is placed. A Left Hand LightWing Adapter will put the light on the left side of the ATPIAL if the Micro Hub is mounted behind the ATPIAL. If the Micro Hub is mounted in front of the ATPIAL, a Left Hand ATPIAL Adapter can be reversed and used on the right side of the weapon.

## Attributes

- Name: [FUSION LIGHTWING ADAPTER LEFT HAND FDE](#)
- Manufacturer: [UNITY TACTICAL](#)
- Product no.: 100043368

# FUSION LightWing Adapter Safety Instructions

## Introduction

Thank you for choosing the FUSION LightWing Adapter. This product is designed to enhance your tactical setup by allowing the mounting of a backup iron sight and light alongside the ATPIAL or ATPIALC MultiFunction Aiming Laser. To ensure safe and effective use of the FUSION LightWing Adapter, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always read the user manual before using the product.
- Ensure the product is compatible with your equipment.
- Inspect the product for any visible damage before installation and use.
- Do not use the product if it appears damaged or malfunctioning.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Location:** Ensure the Micro Hub is mounted securely to avoid accidental dislodging.
- **Weight Limit:** Do not exceed the manufacturer's recommended weight limit for accessories mounted on the adapter.
- **Battery Access:** Ensure easy access to the battery compartment without removing the LightWing Adapter or the ATPIAL.
- **Ambidextrous Use:** Be aware that the Left Hand LightWing Adapter can be used on either side depending on the Micro Hub's location.
- **Light Operation:** Ensure the light is turned off when not in use to prevent overheating.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the weapon is unloaded and in a safe condition before beginning installation.
- Select the appropriate side for mounting the LightWing Adapter (left or right) based on the Micro Hub's placement.
- Align the LightWing Adapter with the top rail of the weapon.
- Securely attach the adapter using the provided mounting hardware, ensuring it is tightened to prevent movement.

### 2. Usage:

- After installation, verify that the LightWing Adapter is securely mounted.
- Mount the backup iron sight and light according to the manufacturer's instructions for those accessories.
- Test the light to ensure it is functioning properly.
- When using the light, be cautious of the brightness and avoid shining it directly into anyone's eyes.

### 3. Maintenance:

- Regularly check the tightness of the mounting hardware and the condition of the LightWing Adapter.
- Clean the adapter and accessories with a soft, dry cloth to maintain optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations and guidelines for electronic waste.
- Do not dispose of the product in household waste.
- Remove batteries from the light before disposal, and recycle them according to local battery recycling programs.

## **Contact Information for Further Support**

For any questions or concerns regarding the FUSION LightWing Adapter, please refer to the manufacturer's website or contact the customer support team directly.
