

# FUSION LIGHTWING ADAPTER - UNITY TACTICAL FUSION LIGHTWING ADAPTER RIGHT HAND FDE

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

Designed specifically for the FUSION Micro Hub, the FUSION LightWing Adapter allows the user to mount both a backup iron sight and light in conjunction with the ATPIAL or ATPIAL-C Multi-Function Aiming Laser. The FUSION LightWing adapter is designed to extend the light out under the side of the ATPIAL while still mounting on the top rail. It is lightweight, low profile and compatible with a wide range of FUSION accessories. Mounting the unit behind the ATPIAL still allows access to the battery compartment without removing either unit. Note: This part comes in both Left and Right side versions, however either side can be used ambidextrously depending on where the Micro Hub is placed. A Left Hand LightWing Adapter will put the light on the left side of the ATPIAL if the Micro Hub is mounted behind the ATPIAL. If the Micro Hub is mounted in front of the ATPIAL, a Left Hand ATPIAL Adapter can be reversed and used on the right side of the weapon.

## Attributes

- Name: [UNITY TACTICAL FUSION LIGHTWING ADAPTER RIGHT HAND FDE](#)
- Manufacturer: [UNITY TACTICAL](#)
- Product no.: 100043370
- Mfr. No.: FUS-LWRF

# FUSION LIGHTWING ADAPTER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the FUSION LightWing Adapter by UNITY TACTICAL. This product is designed for safe and efficient use with the FUSION Micro Hub, allowing you to mount a backup iron sight and light in conjunction with the ATPIAL or ATPIALC MultiFunction Aiming Laser. This guide provides important safety information and instructions to ensure the proper use of the adapter.

## General Safety Guidelines

- Always read and understand the instructions before using the FUSION LightWing Adapter.
- Ensure that the adapter is compatible with your specific model of ATPIAL or ATPIALC.
- Inspect the adapter for any damage or defects before installation and use.
- Use the adapter only for its intended purpose as specified in this guide.
- Keep the adapter and all accessories out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure the weapon is unloaded before installing the adapter.
- Avoid placing your fingers near the trigger or any moving parts during installation.

### • Operational Precautions:

- Do not exceed the manufacturer's weight limit when adding accessories to the adapter.
- Regularly check the tightness of the adapter and any mounted accessories to prevent loosening during use.

### • Environmental Precautions:

- Avoid exposing the adapter to extreme temperatures or moisture, as this may affect its performance.
- Store the adapter in a cool, dry place when not in use.

### • User Warnings:

- The adapter is designed for adult use only. Keep out of reach of children.
- Ensure proper training in the use of firearms and accessories before operating.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the weapon is unloaded and pointed in a safe direction.
- Identify the appropriate mounting location on the top rail of the ATPIAL.
- Align the FUSION LightWing Adapter with the mounting rail and slide it into place.
- Secure the adapter using the provided mounting hardware, ensuring it is tightened properly.

### 2. Usage:

- Once installed, you can mount a backup iron sight and light as needed.
- If using the Left Hand LightWing Adapter, ensure that the Micro Hub is mounted behind the ATPIAL for optimal positioning.
- If the Micro Hub is mounted in front, the Left Hand ATPIAL Adapter can be reversed and used on the right side.

### **3. Maintenance:**

- Regularly inspect the adapter and mounted accessories for wear or damage.
- Clean the adapter with a soft, dry cloth. Avoid harsh chemicals that may damage the surface.

## **Disposal Instructions**

- Dispose of the FUSION LightWing Adapter in accordance with local regulations.
- Do not dispose of the adapter in regular household waste.
- If the adapter is damaged or no longer usable, consider recycling options if available.

## **Contact Information for Further Support**

For further assistance or safety inquiries regarding the FUSION LightWing Adapter, please refer to the manufacturer's website or customer support resources. Always ensure that you have the latest information on product safety and recalls.

Thank you for using the FUSION LightWing Adapter. Your safety and satisfaction are our top priorities.
