

SEND IT SCOPE TUBE MOUNTING RINGS - LONG RANGE ARMS

35MM SEND-IT MOUNTING RING

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Long Range Arms Send It Scope Tube Mounting Rings are specifically designed to allow owners of the company's innovative Send iT rifle-leveling system to attach their levels to all standard riflescope tubes. The rings are machined from aluminum, feature a matte-black finish and can attach levels to the tube vertically or horizontally. Rings are available to fit optic tubes with diameters of 1 inch, 30mm and 34mm.

SEND IT SCOPE TUBE MOUNTING RINGS LONG RANGE ARMS 35MM Safety Instruction Guide

Introduction

Thank you for choosing the Long Range Arms Send It Scope Tube Mounting Rings. These mounting rings are designed to securely attach levels to standard riflescope tubes, enhancing your shooting experience. This guide provides essential safety instructions and information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the mounting rings are compatible with your riflescope tube size (1 inch, 30mm, 34mm).
- Regularly inspect the mounting rings for signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the mounting rings are securely tightened before use to prevent slippage.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not exceed the manufacturer's weight limits for the mounted level.
- Be cautious when handling tools during installation to prevent injury.
- If you experience any difficulty during installation or use, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any additional hardware provided.
- Ensure that the work area is clean and free of distractions.

2. Installation:

- Identify the correct size of the mounting rings for your riflescope tube (35mm).
- Align the mounting rings with the desired position on the riflescope tube.
- Securely attach the mounting rings by tightening the screws evenly to avoid misalignment.
- Check the alignment of the level before final tightening.

3. Usage:

- Once installed, ensure that the level is functioning correctly and is securely attached.
- Use the level according to the manufacturer's guidelines for optimal performance.
- Regularly check the stability of the mounting rings during use, especially after transporting the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling the aluminum components where facilities exist.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Long Range Arms Send It Scope Tube Mounting Rings, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's official website.

Thank you for prioritizing safety while using the Long Range Arms Send It Scope Tube Mounting Rings. We wish you a safe and enjoyable shooting experience.
