

AR-15 PEAK ULTRALIGHT FIXED IRON SIGHTS - SCALARWORKS

AR-15 PEAK 01 FIXED IRON REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Simplicity & Reliability of Classic Fixed Sights, Plus Functional Upgrades

Scalarworks Peak Iron Sights are for shooters who want the familiarity of classic AR-15 fixed sights, with upgrades to make them more suitable for modern tactical carbines. The Scalarworks crew designed the Peaks for a 15" sight radius, making them far more suitable for AR-15 carbine use than old "A2" sights designed for an M16A2 rifle's 20" radius. Peak Iron sights are manually adjustable for elevation (front) and windage (rear) in 1/2 MOA clicks. The front sight post is machined to the correct width for the 15" sight radius and its flat-face eliminates highlight bias. The rear sight's peep presents a flat surface to the shooter as well to prevent distorting shadows and/or glare caused by the mil-spec A2 peep's concave rear face. Machined 7075 T6 aluminum - far stronger than standard 6061 alloy Black Mil-A-8625 Type III hardcoat anodized 4140H steel hardware with Black Nitride finish 36mm (1.42") height over rail Front post: 1.35mm wide Rear flip apertures: 1.78mm (.07") and 5.08mm (.20") As a bonus, Peak Fixed Sights are designed to sit 36mm above the rail, making them ideal as backup sights for an Aimpoint optic mounted on a Scalarworks Leap Mount (available separately). Mount a set on your carbine and see just how effective iron sights can be!

Attributes

- Name: [SCALARWORKS AR-15 PEAK 01 FIXED IRON REAR SIGHT BLACK](#)
- Manufacturer: [SCALARWORKS](#)
- Product no.: 100043532
- Mfr. No.: SW1020
- Colour: Black

Safety Instruction Guide for AR15 PEAK ULTRALIGHT FIXED IRON SIGHTS

Introduction

Thank you for choosing the Scalarworks AR15 Peak Ultralight Fixed Iron Sights. This guide provides essential safety information to ensure the safe and effective use of your new sights. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before use.
- In case of any malfunction, stop using the product immediately and seek professional assistance.
- Always follow local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not attempt to modify the sights in any way. Alterations may compromise safety and performance.
- Ensure that the sights are securely mounted to prevent any movement during use.
- Use only compatible firearms with the specified sight radius to avoid misalignment or damage.
- Be aware of your surroundings and practice safe shooting habits at all times.
- Always wear appropriate eye and ear protection when using firearms equipped with these sights.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove any existing sights from the firearm.
3. **Position the New Sights:** Align the Scalarworks Peak Iron Sights on the rail according to the manufacturer's specifications.
4. **Secure the Sights:** Use the provided hardware to securely attach the sights to the firearm. Ensure they are tightened to prevent movement.
5. **Check Alignment:** Once installed, check the alignment of the sights to ensure they are positioned correctly for optimal use.

Usage

- **Adjusting Elevation and Windage:**
 - The front sight is adjustable for elevation in 1/2 MOA clicks.
 - The rear sight is adjustable for windage in 1/2 MOA clicks.
- **Sight Picture:** Ensure that you have a clear sight picture before firing. The front post should be centered in the rear peep sight.
- **Practice:** Familiarize yourself with the sights by practicing at a safe shooting range. This will help you to become accustomed to their use.

Disposal Instructions

- Dispose of the product in accordance with local regulations pertaining to firearm accessories and materials.
- Do not dispose of the product in regular household waste. Check for designated disposal or recycling

programs in your area.

Contact Information for Further Support

For further assistance or inquiries regarding the Scalarworks AR15 Peak Ultralight Fixed Iron Sights, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Scalarworks Peak Iron Sights!
