Safety Instruction Guide for AR Lower Receiver Blocks

Introduction

Thank you for purchasing the AR Lower Receiver Blocks by Midwest Industries. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this manual carefully before using the product.

General Safety Guidelines

- Always use the AR Lower Receiver Blocks in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before use.
- Do not use the product if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm assembly and maintenance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the lower receiver blocks.
- Use safety glasses to protect your eyes during assembly and maintenance.
- Keep hands clear of moving parts during operation.
- Use the product on a stable work surface to prevent accidents.
- Do not exceed the maximum load capacity of the blocks during use.
- Avoid using excessive force when installing or removing components.

Instructions for Installation and Usage

1. Preparing the Workspace

- Clear the work area of any unnecessary items.
- Ensure good lighting for visibility.

2. Using the AR15 Lower Receiver Block

- Place the lower receiver securely into the block.
- Align the gas block roll pin installation section as needed.
- Secure the block to your workbench or surface using the mounting holes.

3. Using the AR .308 Lower Receiver Block

- Insert the .308 lower receiver into the block.
- Follow the same alignment and securing steps as for the AR15 block.
- Utilize the four points of contact for vice use to stabilize the block.

4. Maintenance and Assembly

- Use the small parts tray to keep track of screws and components.
- Follow manufacturer instructions for any specific firearm assembly.
- Always check that the trigger guard installation section is clear before proceeding.

5. PostUse Care

- Carefully remove the lower receiver from the block after use.

- Clean the blocks with a damp cloth and store them in a dry place.
- Regularly inspect the blocks for wear or damage.

Disposal Instructions

- Dispose of the AR Lower Receiver Blocks in accordance with local regulations.
- Do not incinerate or expose the product to extreme heat.
- If the product is no longer usable, consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or additional support regarding your AR Lower Receiver Blocks, please consult the manufacturer or authorized retailers. Always ensure that you are following the latest guidelines and regulations related to firearm safety and maintenance.

Important Note

This guide is designed to help you use and maintain your AR Lower Receiver Blocks safely. Always stay informed about best practices in firearm assembly and maintenance to ensure your safety and the safety of others.
