

# REBEL OFFSET DOT SIGHT MOUNT - SWAMPFOX OPTICS REBEL 45 OFFSET DOT SIGHT MOUNT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

Micro Reflex Dot Sights are not only meant for pistols. We pulled out all the stops on our dot sight mounts to make sure they were done right. Made with ultra-skeletonized 6061 aluminum set to precision match with 1913 picatinny rails, Rebel mounts are lightweight, durable and versatile. Rebel Offset checks all the boxes for a 45° offset dot sight mount. No need to second guess if you are in line with your barrel, we did the math and made sure of it. Don't worry southpaws, we didn't forget about you. The RMR plate on Rebel Offset is reversible so you can situate your mount in ambi configurations. Get Rebellious with our badass Rebel mounts and Seize your Freedom.

# Safety Instruction Guide for REBEL OFFSET DOT SIGHT MOUNT

## Introduction

Thank you for choosing the REBEL OFFSET DOT SIGHT MOUNT from SWAMPFOX OPTICS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always ensure that the product is used as intended and in accordance with the manufacturer's instructions.
- Inspect the product before each use for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents involving this product to the relevant authorities.
- Stay informed about product recalls or safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the mount is securely attached to the weapon before use.
- Do not exceed the weight limit specified for the mount.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- Be cautious when adjusting the mount to avoid pinching or injury.
- Always ensure that the sight is properly aligned before use to prevent misfires.

## Instructions for Installation and Usage

### Installation

- Preparation:** Ensure you have all necessary tools and components before starting the installation.
- Select Location:** Choose a suitable location on your weapon where the mount will be installed.
- Attach the Mount:**
  - Align the REBEL OFFSET DOT SIGHT MOUNT with the 1913 picatinny rail.
  - Secure the mount using the appropriate screws and tools. Ensure it is tightly fastened.
- Reversible RMR Plate:** If needed, adjust the RMR plate to the desired configuration for ambidextrous use.

### Usage

- Check Alignment:** Before firing, ensure that the dot sight is properly aligned with the weapon's barrel.
- Adjustments:** Make any necessary adjustments to the dot sight for optimal performance.
- Secure Handling:** Always handle the weapon safely and responsibly while using the sight mount.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal disposal.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the REBEL OFFSET DOT SIGHT MOUNT, please reach out to your local

SWAMPFOX OPTICS representative or refer to the official SWAMPFOX OPTICS website for additional resources and support.

Thank you for your attention to these safety guidelines. Enjoy your new REBEL OFFSET DOT SIGHT MOUNT and use it responsibly.
