

# PERUN HOLSTERS - RAVEN CONCEALMENT SYSTEMS SIG 320 FULL SIZE W/ X300U A/B PERUN HOLSTER BLACK

[Home](#)

The Raven Concealment Systems Perun is their flagship outside-the-waistband (OWB) holster. It is the result of blending the best features of two of our most popular holsters, the Eidolon and the Phantom, to create a highly refined, exceptionally concealable holster. The Perun is designed to be the best modular OWB "pancake" style holster on the market. It has a body-hugging design that rides high for maximum concealment. The body of the holster is only slightly larger than the pistol contained in it. This small size aids in concealment while also making the holster more comfortable while seated in a vehicle. The body-hugging curvature of this holster is accomplished using modular belt loops. Each holster includes three pair of 1.5" belt loops (LH 10 degree cant, RH 10 degree cant, and ambi 0 degree cant), which allow the end-user to configure the ambidextrous holster body for left-handed or right-handed use, with either a 0-degree or 10-degree cant. Retention in the Perun is crisp, defined, and consistent, thanks to innovative design features inside the holster body. The unique retention slider makes adjusting retention as simple as turning up the volume on your stereo. And unlike other holsters that use the traditional "screw through a rubber grommet" style of retention, the Perun's retention will not back off after repeated drawing and re-holstering. The Perun is compatible with most slide-mounted red-dot optics (like the Aimpoint T-1, Trijicon RMR, etc.) and accommodates suppressor-height front sights up to .350" tall. It is also fully compatible with the RCS Balor optic mount. The Glock Perun is compatible with generation 3-5 Glock pistols. The Perun is compatible with all small frame 9mm, .40S&W, and .357sig Glocks. Example, The Glock 17 Perun will fit the corresponding standard full sized pistols such as the .40 G22 and .357 G31. The Glock 19 Perun will fit the corresponding compact sized pistols such as the .40 G23 and .357 G32. Raven Concealment Systems also has Surefire X300U A/B and Streamlight TLR-1HL light compatible Perun LC models available for Glocks. Both the Glock Perun LC for Surefire X300U A/B, and the Glock Perun LC for Streamlight TLR-1HL holsters are compatible with generation 3-5 Glock 9mm/.40S&W/.357 Glock pistols (up to Glock 34/35 length slide) with the weapon light attached. For example, this holster will accommodate a Glock 19, Glock 17, or Glock 34 with the weapon light mounted on it. The muzzle-end of the holster is rounded for comfort, yet has an opening sufficient to accommodate most common after-market extended and threaded barrels (with thread protectors). The opening at the muzzle is also specifically designed to allow foreign objects (like spent casings) to drop out the bottom so that nothing can block your pistol from being safely re-holstered. The ambidextrous holster body has both inboard and outboard full-height body shields. These body shields offer some protection for your pistol from sweat, as well as protecting your skin and cover garments (especially the thin material used for linings in sport coats and suit jackets) from being abraded by the serrations on the rear of the slide. They also enhance safety by helping keep cover garments and other foreign objects from falling into the mouth of the holster while you have your pistol drawn, and aid in proper, safe muzzle orientation during re-holstering. The holster is injection molded from a proprietary, extremely high-strength polymer blend that is significantly more durable than Kydex or Boltaron. Like all RCS products, it is made in the USA, and is backed by our lifetime warranty.

## Attributes

- Name: [RAVEN CONCEALMENT SYSTEMS SIG 320 FULL SIZE W/ X300U A/B PERUN HOLSTER BLACK](#)
- Manufacturer: [RAVEN CONCEALMENT SYSTEMS](#)
- Product no.: 100044123

# **Safety Instruction Guide for PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS SIG 320 FULL SIZE W/ X300U A/B PERUN HOLSTER BLACK**

## **Introduction**

Thank you for choosing the PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS SIG 320 FULL SIZE W/ X300U A/B PERUN HOLSTER BLACK. This guide provides important safety information and instructions to ensure the safe and effective use of your holster. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure that the holster is compatible with your firearm model before use.
- Always handle firearms with care and follow standard firearm safety rules.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- Do not modify the holster in any way that could affect its performance or safety.
- Always ensure that your firearm is unloaded before inserting it into the holster.
- Be aware of your surroundings and ensure that the holster is securely fastened to your body before movement.

## **Specific Safety Precautions for Use**

- When drawing your firearm from the holster, do so in a controlled manner to avoid accidental discharge.
- Always point the firearm in a safe direction when drawing or reholstering.
- Ensure that the retention system is properly adjusted to secure your firearm during movement.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may degrade the material.
- The holster is designed for outside-the-waistband carry only; do not attempt to use it in any other manner.
- If you experience difficulty with the holster, cease use immediately and consult the manufacturer for assistance.

## **Instructions for Installation and Usage**

### **1. Fitting the Holster**

- Ensure the holster is correctly aligned with your firearm model.
- Insert the firearm into the holster, ensuring it is fully seated and secure.

### **2. Adjusting Retention**

- Use the retention slider to adjust the retention level according to your preference.
- Test the retention by drawing the firearm to ensure it is secure but allows for a smooth draw.

### **3. Wearing the Holster**

- Attach the holster to your belt using the provided belt loops.
- Adjust the cant (angle) of the holster to your comfort preference (0degree or 10degree).

### **4. Drawing the Firearm**

- With your dominant hand, grasp the firearm firmly and draw it straight up from the holster.
- Maintain control of the firearm at all times.

## 5. Reholstering

- Ensure your firearm is pointed in a safe direction.
- Carefully insert the firearm back into the holster, ensuring it is fully seated.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged and no longer safe for use, consider recycling the material if possible.
- Do not dispose of the holster in a manner that could pose a risk to the environment or public safety.

## Contact Information for Further Support

For safety inquiries or additional support, please consult the manufacturer's website or contact their customer service department directly.

By following these guidelines, you can ensure the safe and effective use of your PERUN HOLSTERS RAVEN CONCEALMENT SYSTEMS SIG 320 FULL SIZE W/ X300U A/B PERUN HOLSTER BLACK. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
