Safety Instruction Guide for Walkers Razor Slim Electronic Quad Ear Muffs with Bluetooth

Introduction

Thank you for choosing the Walkers Razor Slim Electronic Quad Ear Muffs with Bluetooth. These ear muffs are designed to protect your hearing while allowing you to enjoy your favorite audio. This guide provides essential safety instructions to ensure the safe and effective use of your ear muffs, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the ear muffs are used only for their intended purpose of hearing protection and audio enjoyment.
- Check the ear muffs regularly for any signs of damage or wear. Do not use if damaged.
- Keep the ear muffs out of reach of children. They are not designed for use by children under 16 years of age.
- Always follow the manufacturer's instructions for use and maintenance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hearing Protection:**
 - Use the ear muffs in environments with loud noise, such as shooting ranges or construction sites, to protect your hearing.
 - Ensure that the ear muffs fit snugly over your ears for maximum noise reduction (NRR: 23 dB).
- **Bluetooth Connectivity:**
 - Avoid using Bluetooth functions while operating machinery or engaging in activities that require full attention.
 - Ensure your mobile device is within the Bluetooth range for optimal performance.
- **Battery Safety:**
 - Use only the specified 2 AAA batteries. Do not mix old and new batteries or different brands.
 - Remove the batteries if the ear muffs will not be used for an extended period.
- **Hygiene:**
 - Clean the ear muffs regularly according to the manufacturer's instructions to maintain hygiene and performance.

Instructions for Installation and Usage

1. Installation of Batteries:

- Open the battery compartment located on the ear muffs.
- Insert the 2 AAA batteries, ensuring the correct polarity (+ and -) is observed.
- Close the battery compartment securely.

2. Wearing the Ear Muffs:

- Adjust the headband to fit comfortably on your head.
- Position the ear cups over your ears, ensuring a snug fit for effective noise reduction.

3. Using Bluetooth Functionality:

- Turn on the ear muffs using the power button.
- Activate Bluetooth on your mobile device and search for available devices.
- Select "Walkers Razor Slim" from the list of devices to pair.
- Follow any additional prompts on your mobile device to complete the pairing process.

4. Adjusting Volume:

- Use the volume controls on the ear muffs to adjust audio levels to a comfortable listening volume.

5. Turning Off the Ear Muffs:

- Press the power button to turn off the ear muffs when not in use to conserve battery life.

Disposal Instructions

- Dispose of the ear muffs and batteries in accordance with local regulations.
- Do not dispose of batteries in household waste. Follow your local recycling guidelines for battery disposal.
- If the ear muffs are no longer functional, consider recycling them at an appropriate electronic waste facility.

Contact Information for Further Support

For any questions or concerns regarding the Walkers Razor Slim Electronic Quad Ear Muffs with Bluetooth, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for your attention to these safety guidelines. Enjoy your Walkers Razor Slim Electronic Quad Ear Muffs with Bluetooth responsibly!
