# Safety Instruction Guide for Walkers Razor Slim Electronic Quad Ear Muffs

## Introduction

Thank you for choosing the Walkers Razor Slim Electronic Quad Ear Muffs. These ear muffs are designed to provide optimal hearing protection while allowing you to enjoy your favorite sounds through Bluetooth connectivity. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always check for visible damage before use. Do not use if damaged.
- Keep the ear muffs out of reach of children and pets.
- Report any unsafe product conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hearing Protection:** Ensure that the ear muffs fit snugly over your ears to maximize noise reduction.
- **Volume Control:** Monitor the volume when using Bluetooth to prevent hearing damage. Keep the volume at a safe level.
- **Battery Safety:** Use only the recommended type of batteries (2 AAA batteries included). Do not mix old and new batteries or different brands.
- **Environmental Considerations:** Avoid using the ear muffs in extremely wet or humid conditions to prevent damage.
- **Communication:** Use the integrated microphone responsibly and avoid distractions while operating machinery or firearms.

## Instructions for Installation and Usage

### 1. Installation of Batteries:

- Open the battery compartment located on the ear muff.
- Insert 2 AAA batteries, ensuring correct polarity (+/-).
- Close the battery compartment securely.

### 2. Bluetooth Pairing:

- Turn on the ear muffs by pressing the power button.
- Activate Bluetooth on your mobile device.
- Search for "Walkers Razor Slim" in the Bluetooth settings.
- Select the device to pair.

### 3. Adjusting Fit:

- Adjust the headband to fit comfortably on your head.
- Ensure the ear cups cover your ears completely for maximum protection.

### 4. Using the Integrated Mic:

- Press the designated button to activate the microphone for communication.

- Speak clearly into the mic for optimal sound transmission.

#### **5. Turning Off:**

- To conserve battery life, turn off the ear muffs when not in use by pressing the power button.

## **Disposal Instructions**

- Dispose of the ear muffs and batteries in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery recycling.

## **Contact Information for Further Support**

For any inquiries regarding the Walkers Razor Slim Electronic Quad Ear Muffs, please refer to the manufacturer's website or contact the designated support team. Ensure you have the product details available for a more efficient response.

Thank you for prioritizing your hearing safety with Walkers Razor Slim Electronic Quad Ear Muffs. Enjoy your activities while keeping your ears protected!
