

CORDED FOAM EAR PLUGS - WALKERS GAME EAR CORDED FOAM EAR PLUGS - 2 PAIR PACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Plugs](#)

A Pair of Foam Earplugs You Won't Easily Lose

Foam earplugs are designed to conform to the shape of a shooter's ear, so they won't fall out, but many shooters often remove an earplug to better-hear a friend or range-safety officer throughout their shooting session. What happens if you lose that one plug? With the Walkers Corded Foam Earplugs, you don't have to worry about that situation, since these plug pairs are tethered to each other at all times. The plugs provide 32 decibels of sound reduction, and the 24-inch cord won't get in the way of your shooting setup. These plugs can be had in packs of five pairs or in a 50-pair jar.

Attributes

Safety Instruction Guide for Walkers Corded Foam Ear Plugs

Introduction

Thank you for choosing Walkers Corded Foam Ear Plugs. These ear plugs are designed to provide effective noise reduction while ensuring comfort and convenience during shooting sessions. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ear plugs by following all instructions provided in this guide. These ear plugs are designed for nonfood use and comply with EU safety regulations.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Extra care should be taken when using this product around children or individuals with hearing sensitivities.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay informed about any safety updates or alerts related to this product through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Hearing Protection:** These ear plugs provide a noise reduction rating (NRR) of 32 dB. Use them in environments with loud noises, such as shooting ranges, to protect your hearing.
- **Proper Fit:** Ensure that the ear plugs fit snugly in your ears. A proper fit is essential for maximum noise reduction.
- **Avoid Sharing:** Do not share ear plugs with others to minimize the risk of ear infections.
- **Inspect Before Use:** Always inspect the ear plugs for any signs of damage or wear before each use. Do not use damaged ear plugs.
- **Cord Safety:** The 24inch cord is designed to keep the ear plugs tethered together. Avoid pulling on the cord excessively to prevent breakage.

Instructions for Installation and Usage

1. Preparation:

- Wash your hands before handling the ear plugs.
- Ensure that your ears are clean and dry.

2. Inserting the Ear Plugs:

- Roll the ear plug between your fingers to compress it.
- With the other hand, gently pull back on the top of your ear to open the ear canal.
- Insert the compressed ear plug into your ear canal and hold it in place until it expands and fits snugly.

3. Removing the Ear Plugs:

- Grasp the ear plug firmly and gently twist it while pulling it out.

- Avoid pulling on the cord to remove the ear plugs, as this may cause damage.

4. Cleaning and Maintenance:

- Clean the ear plugs regularly according to the manufacturer's instructions to maintain hygiene.
- Store the ear plugs in a cool, dry place when not in use.

Disposal Instructions

- Dispose of used ear plugs responsibly. Follow local regulations for disposal of nonbiodegradable materials.
- Do not dispose of ear plugs in water sources or open environments to prevent environmental pollution.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of Walkers Corded Foam Ear Plugs, please refer to the designated EU contact point for assistance.

Thank you for choosing Walkers Corded Foam Ear Plugs. Your safety and satisfaction are our top priorities.
