

HELLFIRE MATCH MUZZLE BRAKE - AREA 419 6MM (22-6MM)

HELLFIRE MATCH BRAKE, BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Softer, Flatter, No Extra Blast. With the original, and best-selling Hellfire release in 2016 we packed everything we knew about making a good muzzle brake into one design. Now, years later, we went back to the drawing board with a deeper understanding of what a brake can and should do, and how it can make a rifle as manageable as possible as the bullet exits. Introducing the Hellfire Match. This 4-port design isn't simply stacking more of the same design on the end, it's a complete redesign with each port being different. Different length ports, different angle ports, and different height port optimizes each one to provide an ideal function based on the pressure and volume of gas being acted on at its position. This results in optimal recoil management, optimal muzzle rise control, and imparts no extra sound pressure at the shooter position. Using our patented Hellfire Self-Timing system, this brake uses the same Hellfire Universal Adapters that have been in our lineup for years, and can integrate with your Suppressor Mounts, Hellfire, Hellfire 2P and Linear Flash Suppressor. While this will be the new flagship brake, it is very much a part of our super popular Hellfire family.

Attributes

- Name: [AREA 419 6MM \(22-6MM\) HELLFIRE MATCH BRAKE, BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 100047595
- Mfr. No.: 419HFMAT-6-5824
- Caliber: 243/6 mm (.243)
- Finish: Black Nitride
- Material: Stainless Steel
- Threads: 5/8-24
- Delivery weight: 0.236kg
- Shipping height: 38mm
- Shipping width: 89mm
- Shipping length: 152mm
- UPC: 810080180598

HELLFIRE MATCH MUZZLE BRAKE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HELLFIRE MATCH MUZZLE BRAKE. This product is designed to enhance your shooting experience by improving recoil management and muzzle rise control. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the HELLFIRE MATCH MUZZLE BRAKE by following all instructions provided. This product is designed for use with firearms that meet specified requirements.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check regularly for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the designated contact point as specified by the manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the user manual before using the muzzle brake.
- **Proper Fit:** Ensure that the muzzle brake is compatible with your firearm's specifications.
- **Check for Damage:** Inspect the muzzle brake for any damage before installation. Do not use if damaged.
- **Use Protective Gear:** Always wear appropriate eye and ear protection when using firearms equipped with the muzzle brake.
- **Follow Firearm Safety Rules:** Adhere to all standard firearm safety practices, including keeping the firearm pointed in a safe direction.
- **Avoid Modifications:** Do not modify the muzzle brake or attempt to alter its design in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a wrench.

2. Installation:

- Remove the existing muzzle device from your firearm, if applicable.
- Clean the threads of the firearm's muzzle to ensure proper fit.
- Align the HELLFIRE MATCH MUZZLE BRAKE with the threads of the firearm.
- Handtighten the muzzle brake onto the threads.
- Using the wrench, tighten the muzzle brake securely, ensuring it is properly aligned.

3. Usage:

- Once installed, test the firearm in a controlled environment to ensure proper function.
- Monitor the performance of the muzzle brake during use, and check for any signs of loosening or

damage.

4. PostUse:

- After use, clean the muzzle brake and inspect for any wear or damage.
- Store the firearm and muzzle brake in a secure location.

Disposal Instructions

- Dispose of the HELLFIRE MATCH MUZZLE BRAKE in accordance with local regulations.
- Do not dispose of in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the HELLFIRE MATCH MUZZLE BRAKE, please refer to the manufacturer's support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HELLFIRE MATCH MUZZLE BRAKE. Always prioritize safety and responsible use when handling firearms.
