

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 7.3" M-LOK HANDGUARD FREE FLOAT FOR AR-15 BLA

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for AR15. This product is designed to enhance your AR15 build while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

General Safety Guidelines

- Always ensure that the handguard is compatible with your specific AR15 model before installation.
- Inspect the handguard for any visible damage or defects before use.
- Always follow proper safety protocols when handling firearms.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation and maintenance.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Regularly check for wear and tear on the handguard and other firearm components.

Specific Safety Precautions for Use

- Use only compatible muzzle devices and suppressors that fit the 1.78" inside diameter and 1.5" suppressors.
- Ensure that the antirotation tabs are properly engaged during installation to prevent movement during use.
- Avoid using excessive force when tightening the handguard to prevent damage to the firearm or handguard.
- Do not exceed the manufacturer's recommended weight limits for accessories mounted on the handguard.
- If you experience any issues with the handguard during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that your AR15 is unloaded and in a safe environment.
- Gather necessary tools, including a torque wrench and appropriate fittings.

2. Installation Steps

- Remove the existing handguard from your AR15.
- Align the GEN2 Enhanced Handguard with the barrel nut and ensure that the antirotation tabs are positioned correctly.
- Slide the handguard into place, ensuring a snug fit.
- Secure the handguard using the provided screws and a torque wrench. Follow the manufacturer's torque specifications to avoid overtightening.
- Check that the handguard is securely fastened and does not move.

3. Usage Guidelines

- After installation, inspect the handguard for stability and ensure that all fittings are secure.
- Regularly check the handguard and firearm for any signs of wear or damage.
- Follow all safety protocols and guidelines for handling firearms during use.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding the disposal of aluminum and firearm accessories.
- Ensure that the handguard is fully disassembled before disposal to prevent any potential misuse.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries related to safety, installation, or product performance, please consult your authorized dealer or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your GEN2 Enhanced Free Floating Handguards for AR15. Thank you for your attention to safety.
