

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 10.7" M-LOK HANDGRD FREE FLOAT FOR AR-15 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for AR15. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this guide carefully to understand the safety precautions, installation instructions, and proper usage of this handguard.

General Safety Guidelines

To ensure safe use of the GEN2 Enhanced Free Floating Handguards, please adhere to the following safety guidelines:

- Always treat every firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Familiarize yourself with the operation of your firearm and the handguard before use.
- Keep the handguard and firearm out of reach of children and unauthorized users.
- Inspect the handguard and firearm regularly for any signs of wear or damage.
- Use only compatible accessories and attachments as specified in the product description.
- Follow all local laws and regulations regarding firearm usage and modifications.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

When using the GEN2 Enhanced Free Floating Handguards, please observe the following specific safety precautions:

- Ensure that the handguard is properly secured to the firearm before use.
- Avoid placing hands or body parts in front of the muzzle when the firearm is loaded.
- Do not exceed the weight limit for accessories attached to the handguard, as specified by the manufacturer.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Use protective eyewear and hearing protection when shooting.

Instructions for Installation and Usage

Proper installation and usage of the GEN2 Enhanced Free Floating Handguards are essential for safety and performance. Please follow these steps:

Installation Instructions

1. Preparation:

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Gather necessary tools, including an Allen wrench and torque wrench.

2. Remove Existing Handguard:

- Using the appropriate tools, remove the existing handguard from your AR15.

3. Install the GEN2 Handguard:

- Align the GEN2 Enhanced Free Floating Handguard with the upper receiver.

- Secure the handguard using the provided mounting hardware. Ensure all screws are tightened to the manufacturer's specifications.

4. Check for Stability:

- Once installed, check that the handguard is securely attached and does not move or shift.

Usage Instructions

- After installation, familiarize yourself with the handguard's features, including the MLOK system for attaching accessories.
- Ensure that all accessories are properly installed and secured before use.
- Regularly inspect the handguard and accessories for any signs of wear or damage.

Disposal Instructions

When disposing of the GEN2 Enhanced Free Floating Handguards, please follow these guidelines:

- Do not dispose of the handguard in regular household waste.
- Check local regulations for proper disposal methods for aluminum and firearm accessories.
- Consider recycling the aluminum components if possible.

Contact Information for Further Support

For further assistance or inquiries regarding the GEN2 Enhanced Free Floating Handguards, please refer to the product packaging for EU-based contact information.

By following the above guidelines, you can ensure a safe and enjoyable experience with your GEN2 Enhanced Free Floating Handguards for AR15. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
