

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 10.7" M-LOK HANDGRD FREE FLOAT FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety instructions and information to ensure safe usage and proper installation of your handguard. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the handguard by following all instructions. This product is designed specifically for the AR15/M4E1 platform and is not compatible with the M5 .308/M5E1 platform.
- **Enhanced Recalls:** Be aware of any recall notices regarding this product. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact for this product.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Ensure that the handguard is installed correctly to avoid any hazards during operation.
- **Compatibility:** Check compatibility with your specific AR15 model. This handguard is not compatible with the M5 .308/M5E1 platform.
- **Muzzle Devices:** Ensure that the inside diameter (1.78") fits your muzzle devices and that suppressors (1.5") are compatible.
- **Sling Socket:** Use the quick disconnect sling sockets located at the 3, 6, and 9 o'clock positions for secure attachment.
- **AntiRotation Tabs:** Ensure that the builtin antirotation tabs are properly engaged during installation to maintain stability.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screws.
- Ensure that your work area is clean and free of debris.

2. Installation Steps:

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Align the GEN2 Enhanced Handguard with the barrel nut and ensure that the antirotation tabs are positioned correctly.
- Securely fasten the handguard using the provided screws, ensuring that they are tightened to the manufacturer's specified torque settings.
- Check that the handguard is firmly attached and does not rotate.

3. Usage:

- Once installed, ensure that all accessories attached to the MLOK system are securely fastened.
- Regularly inspect the handguard for any signs of wear or damage before use.

- Avoid applying excessive force on the handguard during handling.

Disposal Instructions

- Dispose of the handguard and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs that accept aluminum materials.

Contact Information for Further Support

For further assistance or inquiries regarding the GEN2 Enhanced Free Floating Handguards for AR15, please refer to the designated EU contact for this product. Ensure that you have your purchase information available for reference.

This safety instruction guide is designed to help you safely and effectively use your GEN2 Enhanced Free Floating Handguards. By following the guidelines outlined above, you can ensure a safe and enjoyable experience with your product. Thank you for your attention to these important safety instructions.
