

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 15" M-LOK HANDGUARD FREE FLOAT FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for your AR15. This guide provides essential safety instructions and information to ensure the safe use and installation of your new handguard. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the handguard by following all instructions in this guide.
- Be aware of potential hazards associated with the installation and use of firearm accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Always check for product recalls and safety updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or modifying any parts.
- Do not use the handguard if it shows signs of damage or wear.
- Verify compatibility with your AR15 model before installation.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Inspect the handguard regularly for secure attachment and signs of wear.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a torque wrench and appropriate mounting hardware.

2. Removing the Existing Handguard

- Loosen and remove the screws or fasteners holding the existing handguard.
- Carefully detach the handguard from the firearm.

3. Installing the GEN2 Handguard

- Align the GEN2 handguard with the mounting points on the firearm.
- Securely attach the handguard using the provided screws or fasteners.
- Use a torque wrench to apply the manufacturer's recommended torque specifications.

4. Final Checks

- Ensure the handguard is securely attached and does not shift or wobble.
- Check that there are no obstructions that could interfere with the firearm's operation.

Usage Instructions

- The GEN2 handguard is designed for use with MLOK accessories. Ensure that any attachments are

compatible.

- For best performance, regularly clean and maintain the handguard according to the manufacturer's recommendations.
- Always inspect the handguard before use to ensure it is functioning correctly.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- Do not dispose of the handguard in regular household waste if it contains hazardous materials.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For further support and inquiries regarding safety, installation, and usage of the GEN2 Enhanced Free Floating Handguards, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your equipment are our top priorities. Enjoy your enhanced AR15 experience!
