

ATLAS S-ONE M-LOK FREE FLOATING HANDGUARD FOR AR-15 - AERO PRECISION ATLAS S-ONE 10.3" HANDGUARD M-LOK FREE FLOAT FOR AR-15 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Not Your Average Handguard

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Actual Handguard Lengths: 7.3", 9.3", 10.3", 12.7", 15" -- Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Available in M-LOK profiles with 7.3", 9.3", 10.3", 12.7" and 14.94 (Actual Length 15") options. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 7.3" - 4.86 oz / 9.3" - 5.47 oz / 10.3" - 6.0 oz / 12.7" - 7.00 oz / 15" - 7.95 oz Mounting Hardware Weight: 1.9 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M4E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. Please note: The ATLAS Handguards are NOT compatible with Aero's M4E1 Enhanced Upper Receiver.

Safety Instruction Guide for ATLAS SONE MLOK Free Floating Handguard for AR15

Introduction

Thank you for choosing the ATLAS SONE MLOK Free Floating Handguard for your AR15. This guide provides essential safety instructions, installation guidelines, and usage tips to ensure a safe and effective experience with your handguard. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the handguard is compatible with your AR15 upper receiver before installation.
- Always handle firearms with care and follow all safety protocols related to firearm use.
- Inspect the handguard for damage or defects before installation. Do not use if damaged.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Report any unsafe product concerns or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the manufacturer recommended weight limit for accessories mounted on the handguard.
- Ensure proper installation of the handguard to avoid any movement or loosening during use.
- Avoid using the handguard in extreme temperatures or environments that may affect its integrity.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools and components, including the ATLAS SONE handguard and mounting hardware.
- Ensure the firearm is unloaded and in a safe condition.

2. Remove Existing Handguard:

- Follow the manufacturer's instructions to remove the existing handguard from your AR15.

3. Install the ATLAS Handguard:

- Align the ATLAS handguard with the upper receiver.
- Use the provided mounting hardware to secure the handguard in place.
- Ensure that the handguard is firmly attached and check for any movement.

4. Final Inspection:

- Inspect the installation to ensure there are no gaps between the handguard and the upper receiver.
- Confirm that all screws and components are tightened to the manufacturer's specifications.

Usage

- Use the handguard for mounting accessories compatible with the MLOK system.

- Regularly check the handguard and mounting hardware for signs of wear or loosening during use.
- Clean the handguard with a soft cloth and mild cleaner to maintain its appearance and functionality.

Disposal Instructions

- Dispose of the handguard according to local regulations regarding electronic and metal waste.
- If the handguard is damaged beyond repair, ensure it is disposed of safely to prevent injury to others.

Contact Information for Further Support

For any inquiries related to safety, installation, or product concerns, please refer to the manufacturer's support resources or your point of purchase.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your ATLAS SONE MLOK Free Floating Handguard responsibly!
