

ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 10.3" HANDGUARD M-LOK FREE FLOAT FOR AR-15 BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards for AR15

Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** The ATLAS RONE Handguard is designed to meet safety standards for nonfood products. Always ensure safe handling and usage.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the instructions provided for remedies.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is stored safely out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Be aware of updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Ensure that the handguard is installed by a qualified individual to avoid any installation-related hazards.
- **Compatibility:** Verify that the ATLAS RONE Handguard is compatible with your specific AR15 model and other accessories.
- **Weight Limitations:** Be mindful of the weight limits of your firearm when adding accessories to the handguard.
- **Inspection:** Regularly inspect the handguard for any signs of wear or damage. Do not use if damaged.
- **Proper Handling:** Always handle the firearm safely and responsibly, following all relevant firearm safety guidelines.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and components before beginning the installation process.
2. **Remove Existing Handguard:** If applicable, carefully remove the existing handguard from your AR15.
3. **Install the Barrel Nut:** Follow the manufacturer's instructions to install the custom engineered barrel nut securely.
4. **Attach the Handguard:**
 - Align the handguard with the barrel nut.
 - Use the ATLAS attachment system to secure the handguard in place.
 - Ensure that the locking nuts are tightened evenly for optimal performance.
5. **Check Alignment:** After installation, check that the handguard is aligned correctly and securely attached.
6. **Final Inspection:** Perform a final inspection to ensure all components are securely fastened and there are no loose parts.

Disposal Instructions

- **Environmental Considerations:** Dispose of the handguard and any packaging materials in accordance with local regulations.
- **Recycling:** If possible, recycle materials such as aluminum and plastic to reduce environmental impact.

Contact Information for Further Support

For further information or assistance regarding the ATLAS RONE MLOK Free Floating Handguards, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your new ATLAS RONE Handguard responsibly!
