

# ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 10.3" HANDGUARD M-LOK FREE FLOAT FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

## Attributes

# ATLAS RONE MLOK Free Floating Handguards

## Safety Instructions

### Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This product is designed for enhanced performance and reliability. To ensure safe usage, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always ensure the product is installed correctly before use.
- Regularly inspect the handguard for any signs of wear or damage.
- Use only compatible accessories and attachments.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Installation:** Ensure that the handguard is securely attached to the AR15 upper receiver before use.
- **Weight Limitations:** Be mindful of the weight specifications to maintain optimal performance and safety.
- **Heat Management:** Avoid touching the handguard immediately after firing, as it may become hot and cause burns.
- **Compatibility:** Verify compatibility with your specific AR15 model and accessories to prevent malfunction.
- **Maintenance:** Regularly clean and maintain the handguard to ensure longevity and performance.

### Instructions for Installation and Usage

#### Installation Steps

1. **Preparation:** Gather all necessary tools and ensure a clean workspace.
2. **Remove Existing Handguard:** If applicable, detach the existing handguard from the AR15 upper receiver.
3. **Attach the Barrel Nut:** Install the custom engineered barrel nut using the provided hardware.
4. **Secure the Handguard:**
  - Align the handguard with the barrel nut.
  - Use the ATLAS attachment system to secure it in place, ensuring even pressure.
5. **Check Stability:** Ensure the handguard is tightly secured and does not move.
6. **Final Inspection:** Doublecheck all connections and ensure no parts are loose.

#### Usage Guidelines

- Always handle the firearm in a safe manner, following all local laws and regulations.
- Use the handguard as intended and avoid modifications that could compromise safety.
- When attaching accessories, ensure they are compatible and securely fastened.
- Store the firearm in a safe and secure location when not in use.

### Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling regulations.

- If the handguard is damaged and no longer usable, dispose of it in accordance with local waste disposal guidelines.
- Do not dispose of the product in fire or expose it to extreme temperatures.

## **Contact Information for Further Support**

For any inquiries or support related to the ATLAS RONE MLOK Free Floating Handguards, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your new ATLAS RONE handguard!
