Safety Instruction Guide for .720 STANDARD THREAD PROTECTOR 1/228

Introduction

Thank you for choosing the .720 Standard Thread Protector 1/228 from Yankee Hill Machine Co., Inc. This product is designed to protect your rifle's muzzle threads and crown from damage. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the thread protector for any signs of damage before use.
- Ensure that the thread protector is compatible with your rifle's barrel thread size (1/228).
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about potential recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or removing the thread protector.
- Do not attempt to force the thread protector onto the muzzle if it does not fit easily.
- Avoid using excessive force when installing or removing the thread protector to prevent damage.
- Store the thread protector in a dry place to prevent corrosion or wear.
- Use protective gloves if necessary to avoid skin irritation from sharp edges.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is pointed in a safe direction and is completely unloaded.
- Gather the thread protector and any necessary tools (if applicable).

2. Installation:

- Align the thread protector with the muzzle threads of your rifle.
- Gently screw the protector onto the threads by turning it clockwise.
- Continue to turn until it is handtight. Do not overtighten.

3. Removal:

- To remove the thread protector, turn it counterclockwise until it is free from the threads.
- Store the thread protector in a safe location when not in use.

4. Maintenance:

- Regularly check the thread protector for wear and tear.
- Clean the protector with a soft cloth to remove any debris or moisture.

Disposal Instructions

- Dispose of the thread protector in accordance with local regulations.
- If the product is damaged beyond use, recycle it if possible, or dispose of it in a responsible manner.

Contact Information for Further Support

For any questions or concerns regarding the .720 Standard Thread Protector 1/228, please contact the manufacturer directly. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure the proper use of the .720 Standard Thread Protector and maintain safety while handling your firearm. Thank you for your attention to these important guidelines.
