

M-BRACE SCOPE RINGS - AMERICAN RIFLE COMPANY 35MM MEDIUM (1.10") SCOPE RINGS BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

The M-BRACE Scope Rings embodies an evolutionary step taken from ARC's successful M10 Scope Rings that have served thousands of riflemen for over a decade. It is an engineered product standing alone in stark contrast to the conveniently designed gadgets for which engineering was never a consideration. OVERVIEW Excellent Return-To-Zero CNC Machined High-Strength 7075 Aluminum Available in the Diameter, Height, and Inclination You Need Designed to fit Picatinny (MIL-STD-1913) rails. Proudly Made in the USA

MBRACE Scope Rings Safety Instruction Guide

Introduction

Thank you for choosing the MBRACE Scope Rings by American Rifle Company. This guide provides important safety information and instructions to ensure the safe use and installation of your scope rings. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the MBRACE Scope Rings are compatible with your rifle and scope before installation.
- Always inspect the scope rings for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Use the scope rings only for their intended purpose, which is to securely mount a scope to a rifle.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for the scope mounted on the rings.
- Ensure that the scope is properly secured to prevent it from moving during use.
- Avoid using the scope rings in extreme weather conditions that may compromise their integrity.
- Regularly check the tightness of the mounting screws to ensure they remain secure.
- If you notice any unusual wear or damage to the scope rings, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Place the MBRACE Scope Rings on the Picatinny rail of your rifle.
- Align the rings with the desired position for your scope.
- Insert and handtighten the screws to secure the rings in place.
- Use a torque wrench to tighten the screws to the manufacturer's specifications, ensuring they are secure but not overtightened.

3. Mounting the Scope:

- Carefully place your scope into the rings.
- Adjust the position of the scope for optimal eye relief and alignment.
- Secure the scope by tightening the ring screws evenly.
- Doublecheck the alignment and make any necessary adjustments.

4. Final Inspection:

- Ensure all screws are tightened properly.
- Check that the scope is secure and does not move when adjusted.

Disposal Instructions

- Dispose of the MBRACE Scope Rings in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.

Contact Information for Further Support

For any questions or concerns regarding the MBRACE Scope Rings, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MBRACE Scope Rings!
