Safety Instruction Guide for PRO 1000 Shell Plates

Introduction

Thank you for choosing the PRO 1000 Shell Plates by Lee Precision. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your shell plates. Please read this document carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the shell plates are compatible with your Lee Pro 1000 Progressive Press.
- Store the shell plates in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shell plates for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct shell plate for the intended cartridge (357 Magnum, 38 Special, 38 S&W).
- Always use the Pro 1000 Primer Attachment if you are converting to a different caliber with a different primer size.
- Do not exceed the recommended load limits for your press and shell plates.
- Avoid using damaged or worn shell plates, as they may cause malfunctions or accidents.
- Wear appropriate safety gear, such as safety glasses, when handling ammunition and reloading equipment.
- Follow all local laws and regulations regarding ammunition reloading and handling.

Instructions for Installation and Usage

1. Installation of Shell Plates:

- Ensure the Lee Pro 1000 Progressive Press is unplugged and not in operation.
- Remove any existing shell plate by loosening the screws and lifting it off the mounting post.
- Align the new shell plate with the mounting post and secure it in place with screws.
- Tighten the screws to ensure the shell plate is firmly attached.

2. Usage Instructions:

- Before starting, doublecheck that the shell plate is properly installed and secured.
- Load the appropriate cartridge into the shell plate, ensuring it fits correctly.
- Follow the manufacturer's guidelines for setting up the press and loading ammunition.
- After completing your reloading session, clean the shell plates to remove any debris or residue.

Disposal Instructions

- Dispose of any damaged or unusable shell plates in accordance with local waste disposal regulations.
- Do not throw shell plates in regular household waste if they contain hazardous materials.
- Consider recycling options for metal components if available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the PRO 1000 Shell Plates, please refer to the EUbased contact point provided with your product documentation.

Thank you for your attention to these safety guidelines. By following these instructions, you can help ensure a safe and effective reloading experience with your PRO 1000 Shell Plates.
