PRO 1000 SHELL PLATES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the PRO 1000 Shell Plates by Lee Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the product.
- Ensure that the workspace is clean, dry, and welllit.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Cartridge Compatibility:** Ensure that the Shell Plates are compatible with the cartridges you intend to use, specifically 9 mm Luger, 10 mm Auto, and 40 S&W.
- **Primer Attachment:** If converting to another caliber with a different primer size, always use the Pro 1000 Primer Attachment.
- **Avoid Overloading:** Do not overload the press beyond its specified limits.
- **Protective Equipment:** Use appropriate safety gear, such as safety glasses and gloves, when handling ammunition and reloading components.
- **Storage:** Store Shell Plates in a cool, dry place to avoid damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the Lee Pro 1000 Progressive Press is securely mounted.
- Select the appropriate Shell Plate for your desired cartridge.
- Align the Shell Plate with the press and secure it in place according to the manufacturer's instructions.

2. Usage:

- Load the press with the correct components for reloading.
- Follow the reloading process stepbystep, ensuring each stage is completed before moving to the next.
- Monitor the operation of the press during use to ensure it is functioning correctly.
- If any unusual noises or malfunctions occur, stop using the press immediately and inspect for issues.

Disposal Instructions

- Dispose of any damaged or worn Shell Plates in accordance with local regulations.
- Do not attempt to repair or modify the Shell Plates; dispose of them safely if they are no longer usable.

Contact Information for Further Support

For further support, please refer to the manufacturer's website or contact their customer service department. Ensure you have the product details ready for efficient assistance.

Thank you for prioritizing safety while using the PRO 1000 Shell Plates. Your adherence to these guidelines helps ensure a safe reloading experience.
