Lee Case Collator Safety Instruction Guide

Introduction

Thank you for choosing the Lee Case Collator. This product is designed to enhance your reloading experience by fitting securely on top of the Case Feeder, making the filling of tubes faster on the Pro 1000 and LoadMaster Presses. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the instruction manual before using the product.
- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the product if it appears to be damaged or malfunctioning.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware that improper use of the Lee Case Collator can lead to accidents or injuries.
- **Personal Safety Equipment:** It is recommended to use safety glasses while operating the reloading equipment.
- **Work Area:** Ensure your work area is clean, welllit, and free from distractions.
- **Compatibility:** Only use the Lee Case Collator with the specified models (Pro 1000 and LoadMaster Presses).
- **Case Feed Tubes:** Note that case feed tubes are not included with the product. Ensure you have the correct tubes before use.
- **Instruction Compliance:** Follow all installation and usage instructions carefully to avoid hazards.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the Pro 1000 or LoadMaster Press is turned off and unplugged before installation.
2. **Positioning:** Place the Lee Case Collator securely on top of the Case Feeder.
3. **Secure Fit:** Ensure that the collator is properly aligned and fits snugly onto the feeder.
4. **Check Stability:** Gently shake the collator to confirm it is stable and securely attached.

Usage

1. **Loading Cases:** Load cases into the feed tubes according to the specifications provided by the manufacturer.
2. **Operating the Press:** Once the cases are loaded, turn on the press and begin the reloading process.
3. **Monitoring:** Keep an eye on the operation to ensure cases are feeding correctly. Stop immediately if any issues arise.
4. **Cleaning:** After use, clean the collator and surrounding area to prevent debris buildup.

Disposal Instructions

- Dispose of the Lee Case Collator in accordance with local regulations for electronic and mechanical waste.

- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safer and more enjoyable experience with your Lee Case Collator. Thank you for prioritizing safety while using our product.
