Safety Instruction Guide for Lee Case Feeder Tubes

Introduction

Thank you for choosing the Lee Case Feeder Tubes. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the Lee Case Feeder Tubes with compatible reloading presses, specifically the Pro 1000 and Load Master models.
- Avoid using the product if it shows signs of damage or wear.
- Do not attempt to modify the product in any way, as this may compromise safety.
- Use protective eyewear when operating the reloading press to prevent injury from debris.
- Ensure that the work area is clean and organized to prevent accidents during reloading.

Instructions for Installation and Usage

1. Installation:

- Unpack the Lee Case Feeder Tubes from the packaging.
- Ensure that you have all seven replacement tubes.
- Follow the manufacturer's instructions for installing the tubes onto the Pro 1000 or Load Master reloading press.
- Make sure the tubes are securely attached before proceeding.

2. Usage:

- Load the cases into the feeder tubes as per the instructions provided with your reloading press.
- Check that the cases are properly aligned and seated in the tubes.
- Operate the reloading press according to the manufacturer's guidelines.
- Monitor the operation closely to ensure that cases are feeding correctly and safely.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and plastics.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or usage, please reach out to the appropriate support channels provided by the manufacturer. Always ensure you have the product details handy for reference.

By adhering to these safety instructions, you can ensure a safer reloading experience with the Lee Case Feeder Tubes. Thank you for your attention to safety!
