PACESETTER RIFLE THREEDIE SETS LEE PRECISION 223 ACKLEY IMPROVED 3DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. It is crucial to follow these instructions to avoid potential hazards and ensure a safe reloading experience.

General Safety Guidelines

- Always handle reloading equipment with care and attention.
- Use the product only for its intended purpose as outlined in this guide.
- Keep the reloading area clean and free from distractions.
- Store all components and materials in a secure location away from children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding ammunition reloading.
- Wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Regularly inspect all equipment for wear and damage. Do not use damaged components.

Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted and stable before use.
- Always doublecheck the compatibility of the components used with the die set.
- Follow the recommended load data provided in the instructions to avoid overloading.
- Never leave the reloading process unattended.
- Be cautious of lead exposure when handling bullets; wash hands thoroughly after use.
- Avoid using damaged or wornout parts; replace them immediately.
- Keep all materials away from heat sources and open flames.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Ensure the reloading press is turned off and unplugged.
- Securely attach the Full Length Sizing Die to the reloading press using the provided threads.
- Attach the Bullet Seating Die in the same manner.
- Finally, install the Factory Crimp Die.
- Make sure all dies are tightened and positioned correctly.

2. Using the Die Set:

- Set up the Universal Shell Holder in the reloading press.
- Place the appropriate cartridge case into the shell holder.
- Follow the stepbystep instructions provided in the load data for resizing, seating, and crimping.
- Use the Powder Dipper to measure the correct amount of powder for each load.
- After each operation, check the cartridge for proper fit and function.

3. PostUse:

- Clean all components after use to prevent corrosion and ensure longevity.
- Store the die set and all accessories in a cool, dry place.

Disposal Instructions

- Dispose of any unused or expired components according to local regulations.
- Do not throw away any hazardous materials in regular trash.
- Consult local waste management services for guidance on the safe disposal of reloading materials.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with your purchase.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience with the PACESETTER RIFLE THREEDIE SET LEE PRECISION 223 ACKLEY IMPROVED 3DIE SET. Always prioritize safety and compliance with local regulations.
